Bay Area Toll Authority Oversight Committee

June 10, 2020 Agenda Item 5a

BATA Resolution No. 134 – FY 2020-21 Operating and Capital Budgets

Subject: Staff requests that BATA Resolution No. 134 authorizing the Operating

and Capital Budgets for FY 2020-21 be referred to the Authority for

approval.

Background: Until FY 2019-20, BATA has never suffered an operating deficit. The

current health crisis has driven the national economy into a sharp recession. The combination of shelter-in-place orders and the economic recession has had a significant and negative impact on toll traffic. Following the State and regional issuance of shelter-in-place orders on

March 17, toll traffic has dropped 41% below prior year's traffic levels.

		Total Traffic		
	2019 (000)	2020 (000)	Loss (000)	%
March	11,700	8,300	(3,400)	(29%)
April	12,300	5,600	(6,700)	(54%)
May	12,200	<u>7,400</u>	<u>(4,800)</u>	(39%)
Total	<u>36,200</u>	<u>21,300</u>	(14,900)	(41%)

April was the worst month so far with toll traffic dropping 54% from the April 2019 level. Since April, we have seen a slow but steady appreciation of toll bridge traffic. Through May, the value of the lost revenue is nearly \$90 million. Extrapolating traffic data through June, the total traffic drop could be up to 20 million vehicles, or a revenue loss of \$120 million.

In addition to estimating the traffic impact for the FY 2020-21 budget, there is also a cash flow issue to be concerned about. On March 31, the State pulled cash toll collectors from the toll booths for health and safety reasons. With the State suspension of cash toll collections, BATA initiated a process of direct invoicing for cash toll payments.

On a normal day, there are approximately 100,000 cash toll payments collected on the toll bridges. This number dropped by approximately 40% to 56,000 per day until cash toll collection stopped. While violation

processing is suspended at present, BATA is still invoicing each individual trip, or 50,000 to 60,000 invoices per day—over 10 times the previous invoice workload.

The pattern is fairly clear: as long as we are invoicing, without violation charges, there will be significant delays in collecting cash toll payments. Over a two week period in May, the FasTrak® Customer Service Center mailed out 756,000 cash payment invoices, an average of 56,000 per day. To date our collection rate is about 45%, creating a current receivable of \$2.2 million for just the two week period. If the current trend holds, this collection rate would create a year-end receivable of nearly \$14 million. We anticipate improved collection rates once cash toll collection is restored on the bridges and violation processing is reinstated.

Budget Strategy

We anticipate traffic levels will slowly grow through FY 2020-21. Traffic growth will not be sufficient to resolve the FY 2019-20 revenue shortfall, but should be adequate to cover all budgeted operating expenses for FY 2020-21. The only reserve transfer necessary will be \$51 million to cover the planned Rehabilitation Program.

The proposed operating budget is balanced because of the prepayment of principal due in FY 2020-21. Taking advantage of low interest rates and various refunding opportunities, BATA was able to pre-pay approximately \$170 million in principal and interest due and lower debt service budget for the upcoming fiscal year to \$440 million from over \$600 million in the FY 2019-20 budget. We will look for similar opportunities to control and reduce debt service costs through FY 2020-21.

BATA Operating Revenue

Operating revenue will be down almost 20% overall. Following the expected 13% drop in toll revenue for FY 2019-20, we anticipate another 20% drop for FY 2020-21. All major categories of revenue will be down in FY 2020-21.

Revenue Changes:

	<u>Chang</u> (millio	 '	
Toll Revenue	-\$123	19%	Decline in toll traffic
Violation	-\$5	25%	Temporary Suspension
Interest	-\$18.5	44%	Drop in rates
Reimbursement	-\$6.8	46%	Drop in reimbursable traffic

The revenue levels began to recover as the State and region started their steps toward reopening. However, it may take years before revenue returns to the pre-pandemic levels.

BATA Operating Expense

Total operating expenses proposed for the FY 2020-21 budget will decline by \$180 million, 22%. The reductions are in transfers to MTC and debt service costs. With the reductions, the proposed operating budget is balanced requiring a reserve transfer of \$51 million committed to the Rehabilitation Program funding.

Operating costs are still somewhat in flux given the unknowns related to traffic levels, which lead to other unknowns including:

- Status of cash toll collection
- Level & Cost of electronic tolling
- Status of violation assessment/processing
- RM2 Transit Operating Transfers

The universal component of all these issues is related to traffic. Operating costs will be impacted if there are no cash collections and we pay for both suspended toll collection and increased electronic processing costs.

Transfers for RM2 transit operations support will be down significantly in

both FY 2019-20 and FY 2020-21, impacting already stressed transit operators.

While we go into the FY 2020-21 budget with several questions, expenses are nevertheless carefully evaluated. Principal components include:

	Chang	<u>ge</u>	
	(millio	ns)	
Caltrans O&M	+1.1	3.8%	Continued same level of operations and slight increase in maintenance A&B
Fastrak Operations	+3.2	5.9%	Assumes increase in electronic transactions and cash toll invoicing for part of year
Transfers to MTC	-\$8.4m	25%	Decline in traffic based transfers
Debt Source	-\$167m	28%	Pre-paid \$170 million due in FY 2020-21

Staff was able to take advantage of some market conditions to advance the FY 2020-21 principal and interest payment of approximately \$170 million and make the payment as part of our FY 2019-20 operating expense. The result is a balanced operating budget and a toll revenue to debt service coverage in excess of 1.15 times.

Rehabilitation Program

The commitment to the Toll Bridge Rehabilitation Program has been an important part of the toll bridge construction and maintenance program. During the seismic retrofit program, our planned annual commitment to the Rehabilitation Program was \$60 million per year. In recent years, the commitment has grown to \$100 million annually, while annual budget allocations have been much higher. The lifetime budget for the Rehabilitation Program exceeds \$1.5 billion.

The Rehabilitation Program budget for FY 2020-21 is severely constrained. In prior years, the rehabilitation program was funded through the annual operating surplus. There is essentially no budgetary surplus to fund the FY 2021 proposed Rehabilitation Program. Whatever projects are approved must be funded from the available reserve.

The constrained budget proposed for FY 2020-21 is \$51.3 million. Some significant projects include:

•	Structural Paint	\$11 million
•	Tag Procurement	\$ 9 million
•	Lane Upgrades	\$2.6 million
•	680/80 Interchange	\$7.1 million

It is important to keep in mind that these are not one-off projects. These amounts represent a single year of funding for projects that have been funded in the past and will get additional funding in the future. Under the current financial model funding is constrained at these levels up to 2025 and then opens up a bit. Despite fiscal constraint, the long range still shows BATA adding over \$655 million in project funding to the existing rehabilitation program funding of \$1.5 billion over the next ten years.

Recommendation:

Staff recommends that this Committee refer BATA Resolution No. 134, the BATA Toll Bridge and Operating Budgets for FY 2020-21, to the Authority for approval.

ABSTRACT

BATA Resolution No. 134

This resolution approves the FY 2020-21 Toll Bridge Program Operating and Capital Budgets.

Further discussion of this action is contained in the BATA Oversight Committee's Summary Sheet dated June 10, 2020. A budget is attached as Attachments A through G.

Date: June 24, 2020

BAY AREA TOLL AUTHORITY RESOLUTION No. 134

WHEREAS, Streets and Highways Code Sections § 30950 et seq. created the Bay Area Toll Authority ("BATA"); and

WHEREAS, Streets and Highways Code § 30950 et seq. transfers to BATA certain duties and responsibilities of the California Transportation Commission ("CTC") and California Department of Transportation ("Caltrans") for the toll bridges owned and operated by Caltrans in the San Francisco Bay Area; and

WHEREAS, in accordance with Streets and Highways Code §§ 30950.2 and 30886, BATA is responsible for the administration of all toll revenues from state-owned toll bridges within the jurisdiction of the Metropolitan Transportation Commission ("MTC"); and

WHEREAS, Bay Area bridges are defined in Streets and Highways Code § 30910 to include the Antioch, Benicia-Martinez, Carquinez, Richmond-San Rafael, San Francisco-Oakland, San Mateo-Hayward, and Dumbarton Bridges; and

WHEREAS, Streets and Highways Code § 30950.1 requires BATA to adopt an annual operating budget; and

WHEREAS, Streets and Highways Code § 30958 authorizes MTC to retain an amount not to exceed 1 percent of the gross revenues collected from tolls annually on Bay Area bridges to pay for administrative costs, after payments for debt service on outstanding bonds, and BATA's direct operating costs; and

WHEREAS, Streets & Highway Code § 30959 authorizes BATA to make direct contributions to MTC not to exceed 1% of annual bridge toll revenue and further authorizes BATA to make additional contributions in the form of loans to MTC provided such loans do not exceed 1% of bridge toll revenue and are fully repaid with interest at the rate that would apply to toll bridge revenue bonds of the same duration; and

WHEREAS, BATA staff has prepared a proposed budget for FY 2020-21 that includes anticipated revenues and expenses, as set forth in Attachment A, and reserve designations as set forth in Attachment G to this resolution, attached hereto and incorporated herein by this reference; and

WHEREAS, pursuant to Streets and Highways Code § 30952, the State of California Department of Transportation ("Caltrans") is responsible for the capital improvements of the state-owned toll bridges in accordance with programming and scheduling requirements as adopted by Authority; and

WHEREAS, Caltrans has requested that the Authority adopt budgets for capital outlay and support costs of the Regional Measure 1 (RM1) Program, Rehabilitation (Rehab) Program on the state-owned toll bridges, as listed on attachments to this resolution; and

WHEREAS, pursuant to Streets and Highways Code § 30914, the Authority is responsible for the budgeting and disbursing of Regional Measure 2 (RM2) toll revenues for capital projects in the Regional Traffic Relief Program; and

WHEREAS, pursuant to Streets and Highway Code § 30914.7, Authority is responsible for the budgeting and disbursing of Regional Measure 3 (RM3) toll revenues for capital and operating projects in the Bay Area Traffic Relief Plan; and

WHEREAS, pursuant to Streets and Highways Code§§ 30913 and 31010(b), the Authority is authorized to budget and fund eligible AB 1171 Capital Program projects from toll bridge seismic retrofit surcharge funds exceeding legal requirements to fund and finance the SRP; and

WHEREAS, in accordance with the BATA Plan of Finance plan (BATA Resolution No. 110), adopted by the Authority on November 20, 2013, and the bond covenants adopted under the Master Indenture and Supplemental Indentures, BATA is required to maintain certain reserves and contingencies including a reserve for operations and maintenance at twice the adopted operating budget and a Self Insurance Reserve of at least \$50 million which are detailed in Attachment G of this resolution; and

WHEREAS, the final draft BATA budget for FY 2020-21 was reviewed and recommended by the BATA Oversight Committee for approval; now, therefore, be it

RESOLVED, that BATA approves the FY 2020-21 Toll Bridge Program operating budget prepared in accordance to generally accepted accounting principles attached hereto as Attachment A and incorporated herein as though set forth in length; and, be it further

<u>RESOLVED</u>, that the Executive Director or designee may approve adjustments among line items in the BATA operating budget for FY 2020-21, provided that there shall be no increase in the overall BATA operating budget without prior approval of BATA; and, be it further

RESOLVED, that BATA delegates to the Oversight Committee the authority to approve all contracts and expenditures for operating and capital costs in BATA's budget for FY 2020-21, providing that there shall be no increase in the overall budget without prior approval of the Authority; and be it further

<u>RESOLVED</u>, that the BATA Executive Director or the responsible BATA staff person designated by the Executive Director, shall submit written requests to the BATA Oversight Committee for approval of consultants, professional services, and other expenditures authorized in the BATA budget for FY 2020-21; and, be it further

<u>RESOLVED</u>, that the Authority adopt budgets for the FY 2020-21 RM 2, Rehab, AB 1171, and RM 3 Programs for the state-owned toll bridges, as listed in Attachments B through F; and be it further

RESOLVED, that the Executive Director and Chief Financial Officer are authorized to close projects and reallocate remaining budgets within the authorized Toll Bridge Rehabilitation Program Budget List and to move funds between designated contingency projects and active projects provided there is no overall increase to the total approved Toll Bridge Rehabilitation Program Budget; and be it further

RESOLVED, that the Executive Director and Chief Financial Officer are authorized to utilize generally available cash and reserves to meet any operational and cash-flow shortfall and as an advance for project cash flow purposes provided the advance is repaid from project funds by the close of the fiscal year; and be it further

RESOLVED, that the Authority's Executive Director and the Chief Financial Officer are authorized to carry over and re-budget all grants, contracts, projects, and funds properly budgeted in the prior year for which expenditures were budgeted and encumbered and which will take place in FY 2020-21, and be it further

<u>RESOLVED</u>, that the Authority authorizes fund reserve designations, effective June 30, 2020, as listed in Attachment G; and be it further

RESOLVED, that the Executive Director or Chief Financial Officer are authorized to use available operating reserves to prepay or retire the BATA share of all pension and OPEB obligations; and be it further

RESOLVED, that the Executive Director or Chief Financial Officer are authorized to utilize the resources authorized under Streets and Highway Code Section 30959 to make direct contributions to MTC to assist MTC with the retirement of current and future unfunded pension liabilities; and be it further

BATA Resolution No. 134 Page 5

RESOLVED, that the Executive Director or designee shall furnish the BATA Oversight Committee with a quarterly financial report to reflect budgeted and actual income, expenditures, obligations for professional and consultant services and such other information and data as may be requested by the Committee.

BAY AREA TOLL AUTHORITY
Scott Haggerty, Chair

The above resolution was entered into by the Bay Area Toll Authority at a regular meeting of the Authority held in San Francisco, California and at other remote locations, on June 24, 2020.
