Metropolitan Transportation Commission Programming and Allocations Committee

July 8, 2020

Agenda Item 2b - 20-1022

Subject:

Quarterly Report of the Executive Director Delegation of Authority Actions

Background:

MTC Resolution No. 3620, Revised, adopted by the Commission in March 2004, allows the Executive Director to make administrative allocations of local funds up to \$1 million, with authority to take action on any rescission amounts requested by claimants. To keep the Commission informed of actions approved by the Executive Director, staff reports quarterly on all 'delegated authority' allocations or rescissions.

The fourth quarter report for FY 2019-20 covers the period of April through June 2020. There are a large number and significant amount of Transportation Development Act (TDA) rescissions due to reduced sales tax revenue as a result of shelter-in-place orders due to COVID-19. Allocations must be reduced to equal available funding. In addition, some agencies requested that their Bicycle and Pedestrian funds be reallocated to allow more time to complete their projects. The Executive Director approved the following allocation and rescission actions summarized below and detailed in Attachment A:

Delegated Authority FY 2019-20	Fourth Quarter		Year-to-Date		
Allocations					
Transportation Development Act	\$	2,510,556	\$	35,879,396	
State Transit Assistance	\$	4,193,175	\$	27,291,683	
Regional Measure 2	\$	634,025	\$	8,644,098	
Other Bridge Tolls	\$	21,667	\$	101,667	
Total Allocations	\$	7,359,423	\$	71,916,844	
Rescissions					
Transportation Development Act	\$	(14,549,038)	\$	(15,985,485)	
State Transit Assistance	\$	(1,419,383)	\$	(3,430,234)	
Regional Measure 2	\$	(119,025)	\$	(372,990)	
Total Rescissions	\$	(16,087,446)	\$	(19,788,709)	

Final State Transit Assistance (STA) revenue for FY 2019-20 has not been received. Due to the COVID-19 pandemic, revenues are expected to be lower which will necessitate rescissions. The next quarterly report of the Executive Director's Delegation of Authority will include any necessary rescissions of STA funds so that allocations of these funds do not exceed available revenue in FY2019-20.
