

E&A Subcommittee Work Planning

What the Policy Advisory Council Equity & Access Subcommittee will do in remaining term.

Use the Green, Pink, and Orange post-its to add additional items to the 3 columns

Need to do

Plan Bay Area 2050	Clipper® START, the regional means-based fare pilot program, and other mobility equity programs	Blue Ribbon Transit Recovery Task Force reports
Express lanes means-based toll discount pilot	Federal Title VI/DBE updates	Regional Safety/Vision Zero policy
Public engagement activities	Other efforts to improve public transit, including transit sustainability and connectivity (such as Clipper 2.0, last-mile issues, signage projects), and impacts on transportation from new upcoming technologies	Legislative updates on equity and access issues
Updates from Fare Integration		

Want to do

Equity Platform	Clipper Open Payments (ex. Octopus card in HK)	
Fully accesible housing next to transit.	Reduced fares and easy schedules for those for equity distrabution	One set regional fare to make navigation of the regional system easier.

Extra Credit

Guest speakers from IDD transit rider population	Guest speakers from transit agencies abroad with strong accessibility programs
