### Plan Bay Area 2050 Final Blueprint

---

**Subject:** Adoption of ABAG Resolution No. 16-2020—Approval of Plan Bay Area 2050 Final Blueprint

**Background:** On September 11, 2020, the MTC Planning Committee and the ABAG Administrative Committee met jointly and received a report on proposed action on revisions to strategies and growth geographies for the Plan Bay Area 2050 Final Blueprint and the regional growth forecast. The report included feedback from the public and stakeholders received over the course of the summer.

The committees unanimously recommended approval of the item to the ABAG Executive Board and MTC Commission, with an amendment from Commissioner Liccardo requesting prioritization of funding for Caltrain grade separations towards projects that serve the dual purpose of connecting High-Speed Rail to the Bay Area and improving the Caltrain system.

At the Executive Board meeting on September 17, 2020, staff will report on the MTC Planning Committee and ABAG Administrative Committee recommendations of MTC Resolution No. 4437 and ABAG Resolution No. 16-2020, respectively, which adopts the Final Blueprint Strategies, Final Blueprint Growth Geographies, and the Regional Growth Forecast. The report will include recommended changes reflecting the motion by MTC Commissioner Liccardo.

The summary sheet and resolution attachments from the Joint MTC Planning Committee and ABAG Administrative Committee meeting are attached.
