Agenda Item 6.a.

#### ABAG-MTC Governance and Local Government Services Update

---

**Subject:** Association of Bay Area Governments (ABAG) and Metropolitan Transportation Commission (MTC) Governance and Local Government Services (LGS) Update

**Background:** ABAG's programs and services have supported Bay Area local governments for more than 55 years, providing a forum to discuss and work together to solve regional issues.

In 2017, ABAG staff were consolidated under the MTC, creating the Local Government Services section that includes ABAG POWER, the Advancing California Finance Authority (ACFA), Bay Area Regional Collaborative (BARC), Bay Area Regional Energy Network (BayREN), and the San Francisco Bay Trail.

A subcommittee comprised of members from ABAG's Executive Board and the MTC Commission is currently discussing options for governance of the consolidated staff and potential merging of agencies.
