Agenda Item 2h - 20-1379

MTC Resolution No. 4428, Revised

- Subject:** Amendment to the FY 2020-21 Regional Measure 2 Marketing Program to redirect \$251,000 to the Return-to-Transit Plan from the Hub Regional Resource Center.
- Background:** Regional Measure 2 (RM2) marketing funds are available to support public information for projects that are part of the RM2 capital or operating program. These funds were programmed to support the Hub Regional Resource Center on the ground floor at 375 Beale Street. Since that project has been suspended due to the Shelter in Place orders related to the Covid-19 pandemic, it is proposed to redirect the funds to the Return-to-Transit Plan. This public outreach program aims to safely welcome riders back to transit and is part of the Blue Ribbon Transit Recovery Task Force efforts.
- At the Administration Committee, a contract amendment was proposed to conduct market and employer research to gauge barriers to transit ridership and to lay the groundwork for developing messaging to encourage a return to transit. This contract would use these funds.
- Issues:** None
- Recommendation:** Refer MTC Resolution No. 4428, Revised to the Commission for approval.
- Attachments:** MTC Resolution No. 4428, Revised
- Attachment A, RM2 Operating and Marketing Program of Projects

Notes:

1. The amounts listed reflect the RM2 base subsidy, with certain projects subject to a 1.5% annual escalation rate through FY2015-16. Escalation was suspended starting in FY2008-09 until BATA RM2 receipts surpassed the amounts budgeted to fund the legislative operating projects. Escalation was restored in FY2010-16 for eligible projects. In FY2020-21, the FY2019-20 original programming amounts were reduced proportionally based on reduced revenue estimate due to COVID-19. The RM2 operating program is limited to 38% of annual receipts by statute. Programming amounts will be adjusted, as necessary, to stay within available revenue.
2. Amounts shown are subject to approval of the FY2020-21 BATA Budget and funding availability.
3. Marketing assistance program are funded with RM2 toll revenue receipts pursuant to Streets and Highways Code(SHC) 30914(f) and are outside of the 38% limit on operating funding as described in SHC
