**Subject:** Report on ABAG Regional Planning Committee Meeting Schedule for 2021

**Background:** At its meeting on November 19, 2020, the ABAG Executive Board approved the meeting schedule for 2021 of the Executive Board and its committees.

Because of conflicts with other partner agencies which use the Bay Area Metro Center meeting rooms, the day and time of the Regional Planning Committee meetings were moved from the first Wednesday of the month to the second Thursday of the month. Also, anticipating work related to Plan Bay Area 2050 and the Regional Housing Needs Allocation, the committee was scheduled to meet monthly but that meetings may be canceled when not needed.

Recognizing that committee members may have expected the committee to continue to meet at its regular day and time, the meeting schedule is brought before the committee for discussion.

The ABAG Meeting Schedule for 2021 is attached.
