

## Metropolitan Transportation Commission Programming and Allocations Committee

January 13, 2021

Agenda Item 2e - 21-0052

### MTC Resolution Nos. 4430, Revised and 4431, Revised

**Subject:** Allocation of \$2.2 million in FY2020-21 Transportation Development Act (TDA) and State Transit Assistance (STA) funds to SMART and Petaluma to support transit operations.

**Background:** This month's proposed actions continue the annual allocation process of TDA and STA funds for FY2020-21. These funds are a significant source of operational and capital support for the region's transit operators. This month, allocations to SMART and Petaluma are proposed as shown in the table below. These allocations are consistent with revenue estimates for this fiscal year. Allocation requests that are \$1 million or less are approved separately through the Executive Director's Delegated Authority process.

*amounts in millions*

<b>Transit Operator/ Claimant</b>	<b>TDA Resolution No. 4430</b>	<b>STA Resolution No. 4431</b>	<b>Total</b>
Petaluma Transit	\$ 1.1	\$ -	\$ 1.1
SMART		\$ 1.1	\$ 1.1
<b>Total</b>	<b>\$ 1.1</b>	<b>\$ 1.1</b>	<b>\$ 2.2</b>

#### Sonoma-Marin Area Rail Transit (SMART)

For FY 2020-21, SMART's operating budget is \$35.8 million with nineteen percent, or \$6.9 million, of the funding coming from the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act. The total STA funds of \$1.5 million makes up just four percent of SMART's operating revenue, while dedicated sales tax revenue comprise the majority of the agency's operating funds. Although SMART has sufficient reserves to fully fund its operating budget, they continue to practice cost-savings by operating reduced service, eliminating positions, and implementing one time-savings due to uncertainty about future revenue. Additionally, recent refinancing of the construction bond to build the SMART system will provide some ongoing annual savings. Construction of the Windsor extension has been halted due to Regional Measure 3 funding uncertainty. A mid-year budget assessment is planned.

SMART's weekday service is currently 42 percent of pre-COVID levels and weekend/holiday service is currently suspended. Ridership is about 14 percent of pre-pandemic levels. Fare collection was never suspended on SMART. SMART began participation in the Clipper START program with a 50 percent fare discount on November 23, 2020.

Petaluma Transit

For FY 2020-21, Petaluma Transit's operating budget is \$3.1 million, based on pre-COVID service levels. Petaluma Transit will use the \$1.1 million in federal CARES Act funds it received to cover approximately one-third of its budget, while TDA and STA funds combined comprise half of the agency's revenue. Petaluma has had some budget savings since school service is suspended, however that is offset by COVID-related expenses and lack of fare collection.

Fare collection is anticipated to resume in February 2021 after driver protective barriers have been installed. Petaluma Transit is also participating in Clipper START, offering a 20 percent discount. Fixed route service is currently at 80 percent of pre-COVID levels while ridership is current 35 percent of normal. Paratransit ridership is 85 percent of pre-pandemic levels.

**Issues:** None

**Recommendation:** Refer MTC Resolution Nos. 4430, Revised and 4431, Revised to the Commission for approval.
