

Metropolitan Transportation Commission

February 24, 2021

Agenda Item 10c - 21-0181

MTC Resolution No. 3983, Revised – Amendments to the Clipper® Operating Rules

Subject: Amendments to the Clipper Operating Rules

Background: MTC Resolution No. 3983 was last revised on October 28, 2015, when the Commission delegated authority for changes to the Clipper Operating Rules to the Clipper Executive Board (CEB).

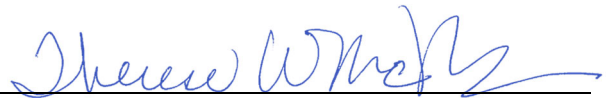

At its January 25, 2021 meeting, the CEB approved an update to the Clipper Operating Rules. The amendments to the Operating Rules approved by the CEB are summarized in the CEB Summary Sheet attached to this item.

Resolution 3983 should now be updated to incorporate as Attachment A the amended Clipper Operating Rules as approved by the CEB.

Issues: None

Recommendation: Staff recommends Commission approval of Resolution 3983, Revised, to incorporate as Attachment A the amended Clipper Operating Rules as approved by the CEB on January 25, 2021.

Attachments: Attachment A – CEB Summary Sheet dated January 25, 2021
Attachment B – Resolution 3983, Revised
