Re: Letter of Interest

Dear Mr. Woodbury

I would like to express my interest in serving on The Bay Trail Board of Directors as the Port of San Francisco representative to replace David Beaupre. I was approached by David Beaupre and the Deputy Director of Port Planning, Diane Oshima to replace him because they felt I would be a good fit.

I have been serving on the San Francisco Bay Area Water Trail Advisory Committee since 2013. On this Committee, I am a co-member with Joy Dyrden as an ADA representative. My career as an Architect has been focused on the public realm from schools to public spaces. As the Senior Architect and ADA Coordinator for the Port of San Francisco since 2006, I have been involved in project delivery or oversight for multiple parks and human-powered watercraft launch sites along the 7.5 miles of San Francisco's waterfront.

In addition to my passion for working on the waterfront, I am an avid bicyclist, hiker, urban walker, skier, and in my younger years, Bay swimmer. I value the public open spaces that surround the San Francisco Bay Area and would be honored to participate as a member of the Board of The Bay Trail.

Sincerely,

Wendy Proctor
Port of San Francisco
