

Climate Adaptation Advocacy Principles

	Original	Revised
Principle 1	Build on Existing Regional Planning Processes and Authorities	Header the same – more concise; incorporates former principle #3
Principle 2	Define Appropriate Roles	Moved to #3 and new principle added: “Center Equity”
Principle 3	Climate Adaptation Responsibilities Should be Assigned to Public Agencies	Replaced with “Define Appropriate Roles for Local, Regional and State Agencies”
Principle 4	Support a Local/Regional/State Partnership Approach to Climate Adaptation	Merged with #5 and replaced with new principle: “Support Engagement with and Provide Support for Nongovernmental Agencies Involved in Climate Adaptation”
Principle 5	Secure New, Ongoing Funding	Merged #4 and #5: “Support a Local/Regional/State Partnership Approach and Secure New Funding”
