RE: Task Force Member Ideas on Network Management Alternatives

Thank you to those of you who submitted your ideas on network management alternatives for the Evaluation consultants to consider. While it will be their responsibility to develop a range of alternatives, these contributions will provide important guidance and ensure that the consultant has a strong starting point for analysis and comparison.

The following submittals were received (and attached):

- 1) Bay Area Council
- 2) Commute.org
- 3) Metropolitan Transportation Commission (Staff proposal)
- 4) Gina Papan, MTC Commissioner
- 5) Seamless Bay Area
- 6) Transit Operators
