<a href="#">AB 43</a> <a href="#">Friedman</a>	Amended 7/6/2021	Senate Transportation	<b>Traffic safety.</b> Current law establishes various default speed limits for vehicles upon highways, as specified. Current law authorizes state and local authorities to adjust these default speed limits, as specified, based upon certain findings determined by an engineering and traffic survey. Current law defines an engineering and traffic survey and prescribes specified factors that must be included in the survey, including prevailing speeds and road conditions. Current law authorizes local authorities to consider additional factors, including pedestrian and bicyclist safety. This bill would authorize local authorities to consider the safety of vulnerable pedestrian groups, as specified.	Support	Support
<a href="#">AB 68</a> <a href="#">Quirk-Silva</a>	Amended 6/1/2021	Senate Housing	<b>Department of Housing and Community Development: California Statewide Housing Plan: annual reports.</b> Current law establishes the California Statewide Housing Plan, which serves as a state housing plan for all relevant purposes, that incorporates a statement of housing goals, policies, and objectives, as well as specified segments. Current law requires the Department of Housing and Community Development to update and provide a revision of the plan to the Legislature every 4 years, as provided. This bill would revise and recast those provisions related to the California Statewide Housing Plan. The bill would, starting with any update or revision to the plan on or after January 1, 2023, require the plan to include specified information, including, among other things, an inventory number of affordable units needed to meet the state’s affordable housing needs and an identification of strategies to help individuals experiencing homelessness.		

<p><a href="#">AB 71</a> <a href="#">Rivas, Luz</a></p>	<p>Amended 5/24/2021</p>	<p>Assembly Inactive File</p>	<p><b>Homelessness funding: Bring California Home Act.</b> The Personal Income Tax Law, in conformity with federal income tax law, generally defines gross income as income from whatever source derived, except as specifically excluded, and provides various exclusions from gross income. Current federal law, for purposes of determining a taxpayer's gross income for federal income taxation, requires that a person who is a United States shareholder of any controlled foreign corporation to include in their gross income the global intangible low-taxed income for that taxable year, as provided. This bill, for taxable years beginning on or after January 1, 2022, would include a taxpayer's global intangible low-taxed income in their gross income for purposes of the Personal Income Tax Law, in modified conformity with the above-described federal provisions.</p>		
<p><a href="#">AB 113</a> <a href="#">Boerner Horvath</a></p>	<p>Amended 4/7/2021</p>	<p>Assembly Housing and Community Development</p>	<p><b>Income taxes: credits: electric vehicles.</b> The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws. This bill would allow a credit against those taxes for each taxable year beginning on or after January 1, 2021, and before January 1, 2026, in an amount equal to 40% of the amount paid or incurred in qualified costs by a qualified taxpayer during the taxable year for the installation of specified electric vehicle supply equipment in a covered multifamily dwelling or covered nonresidential building, subject to specified maximum credit amounts. The bill would define various terms for these purposes. The bill would repeal these provisions as of December 1, 2026.</p>		
<p><a href="#">AB 117</a> <a href="#">Boerner Horvath</a></p>	<p>Amended 5/24/2021</p>	<p>Senate Environmental Quality</p>	<p><b>Air Quality Improvement Program: electric bicycles.</b> Current law establishes the Air Quality Improvement Program that is administered by the State Air Resources Board for the purposes of funding projects related to, among other things, the reduction of criteria air pollutants and improvement of air quality. Pursuant to its existing statutory authority, the state board has established the Clean Vehicle Rebate Project, as a part of the Air Quality Improvement Program, to promote the production and use of zero-emission vehicles by providing rebates for the purchase of new zero-emission vehicles. Current law specifies the types of projects eligible to receive funding under the program. This bill would specify projects providing incentives for purchasing electric bicycles, as defined, as projects eligible for funding under the program.</p>		

<p><a href="#">AB 118</a> <a href="#">Kamlager</a></p>	<p>Introduced 12/18/2020</p>	<p>Senate Appropriations</p>	<p><b>Emergency services: community response: grant program.</b> Would, until January 1, 2026, enact the Community Response Initiative to Strengthen Emergency Systems Act or the C.R.I.S.E.S. Act for the purpose of creating, implementing, and evaluating the 3-year C.R.I.S.E.S. Grant Pilot Program, which the act would establish. The bill would require the office to establish rules and regulations for the program with the goal of making grants to community organizations, over 3 years, for the purpose of expanding the participation of community organizations in emergency response for specified vulnerable populations. The bill would require that grantees receive a minimum award of \$250,000 per year. The bill would require a community organization receiving funds pursuant to the program to use the grant to stimulate and support involvement in emergency response activities that do not require a law enforcement officer, as specified. The bill would require the Director of Emergency Services (director) to assemble staff and resources to carry out certain duties in support of the program.</p>		
<p><a href="#">AB 122</a> <a href="#">Boerner</a> <a href="#">Horvath</a></p>	<p>Amended 6/30/2021</p>	<p>Senate Appropriations</p>	<p><b>Vehicles: required stops: bicycles.</b> Would, until January 1, 2028, require a person riding a bicycle, when approaching a stop sign at the entrance of an intersection, to yield the right-of-way to any vehicles that have either stopped at or entered the intersection, or that are approaching on the intersecting highway close enough to constitute an immediate hazard, and to pedestrians, as specified, and continue to yield the right-of-way to those vehicles and pedestrians until reasonably safe to proceed. The bill would require other vehicles to yield the right-of-way to a bicycle that, having yielded as prescribed, has entered the intersection.</p>		
<p><a href="#">AB 215</a> <a href="#">Chiu</a></p>	<p>Amended 6/23/2021</p>	<p>Senate Appropriations</p>	<p><b>Housing element: regional housing need: relative progress determination.</b> The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the Department of Housing and Community Development to determine whether the housing element is in substantial compliance with specified provisions of that law. This bill, starting with the 6th housing element revision, would require the department to determine the relative progress toward meeting regional housing needs of each jurisdiction, council of governments, and subregion, as specified. The bill would require the department to make this determination based on the information contained in the annual reports submitted by each jurisdiction, as specified.</p>		

<p><a href="#">AB 267</a> <a href="#">Valladares</a></p>	<p>Amended 6/2/2021</p>	<p>Senate Natural Resources and Water</p>	<p><b>California Environmental Quality Act: exemption: prescribed fire, thinning, and fuel reduction projects.</b> Current law, until January 1, 2023, exempts from the requirements of CEQA prescribed fire, thinning, or fuel reduction projects undertaken on federal lands to reduce the risk of high-severity wildfire that have been reviewed under the federal National Environmental Policy Act of 1969, as provided. Current law requires the Department of Forestry and Fire Protection, beginning December 31, 2019, and annually thereafter until January 1, 2023, to report to the relevant policy committees of the Legislature the number of times the exemption was used. This bill would extend the exemption from CEQA and the requirement on the department to report to the relevant policy committees of the Legislature to January 1, 2026.</p>		
<p><a href="#">AB 339</a> <a href="#">Lee</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Judiciary</p>	<p><b>Local government: open and public meetings.</b> The Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. Under existing law, a member of the legislative body who attends a meeting where action is taken in violation of this provision, with the intent to deprive the public of information that the member knows the public is entitled to, is guilty of a crime. This bill would require local agencies to conduct meetings subject to the act consistent with applicable state and federal civil rights laws, as specified.</p>		
<p><a href="#">AB 345</a> <a href="#">Quirk-Silva</a></p>	<p>Amended 6/16/2021</p>	<p>Senate Gov. &amp; F.</p>	<p><b>Accessory dwelling units: separate conveyance.</b> The Planning and Zoning Law authorizes a local agency to provide, by ordinance, for the creation of accessory dwelling units in single-family and multifamily residential zones and requires a local agency that has not adopted an ordinance to ministerially approve an application for an accessory dwelling unit, and sets forth required ordinance standards, including that the ordinance prohibit the sale or conveyance of the accessory dwelling unit separately from the primary residence. Current law, notwithstanding the prohibition described above, authorizes a local agency to, by ordinance, allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if certain conditions are met. This bill would require each local agency to allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if the above-described conditions are met.</p>		

<p><a href="#">AB 363</a> <a href="#">Medina</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Transportation</p>	<p><b>Carl Moyer Memorial Air Quality Standards Attainment Program.</b> Current law requires the State Air Resources Board to establish or update grant criteria and guidelines for covered vehicle and infrastructure projects as soon as practicable, but not later than July 1, 2017. The state board's program guidelines describe the minimum criteria and requirements for on-road heavy-duty vehicles and the types of projects that can be incentivized to provide surplus emissions reductions from on-road heavy-duty vehicles through contracts or through the On-Road Heavy-Duty Voucher Incentive Program (VIP). The VIP guidelines allow for the early retirement of existing on-road heavy-duty vehicles, allowing these high-polluting vehicles to be replaced with newer, lower emission vehicles. The VIP guidelines further describe the minimum criteria and requirements for eligibility in the VIP, including, but not limited to, limiting the fleet size and vehicle weight class of eligible vehicles, excluding from program eligibility vehicles subject to the solid waste collection vehicle rule and the fleet rule for transit agencies, and prohibiting the leasing of replacement vehicles. This bill would require the state board, upon appropriation by the Legislature, to develop project grant criteria and guidelines for a new On-Road Heavy-Duty Vehicle Incentive Program (VIP2) that shall provide additional incentives for projects eligible for program funding that are deployed in disadvantaged communities, as provided, and in low-income communities, as defined.</p>		
<p><a href="#">AB 371</a> <a href="#">Jones-Sawyer</a></p>	<p>Amended 7/1/2021</p>	<p>Senate Insurance</p>	<p><b>Shared mobility devices: insurance and tracking.</b> Current law defines shared mobility device to mean an electrically motorized board, motorized scooter, electric bicycle, bicycle, or other similar personal transportation device, except as provided. Current law requires a city or county that authorizes a shared mobility device provider to operate within its jurisdiction to adopt operation, parking, and maintenance rules, as provided, regarding the use of the shared mobility devices in its jurisdiction before the provider may offer shared mobility devices for rent or use. This bill would require a shared mobility service provider to affix to each shared mobility device a tactile sign containing raised characters and accompanying Braille, as specified, to identify the device for the purpose of reporting illegal or negligent activity.</p>		
<p><a href="#">AB 411</a> <a href="#">Irwin</a></p>	<p>Amended 3/1/2021</p>	<p>Assembly Appropriations Suspense File</p>	<p><b>Veterans Housing and Homeless Prevention Bond Act of 2022.</b> Would enact the Veterans Housing and Homeless Prevention Bond Act of 2022 to authorize the issuance of bonds in an amount not to exceed \$600,000,000 to provide additional funding for the VHHPA. The bill would provide for the handling and disposition of the funds in the same manner as the 2014 bond act.</p>		

<p><a href="#">AB 418</a> <a href="#">Valladares</a></p>	<p>Amended 5/24/2021</p>	<p>Senate Appropriations Suspense File</p>	<p><b>Emergency services: grant program.</b> Would establish the Community Power Resiliency Program (program), to be administered by the Office of Emergency Services, to support local governments' efforts to improve resiliency in response to power outage events, as provided. The bill would require the office to allocate funds, pursuant to an appropriation by the Legislature, to local governments, special districts, and tribes for various purposes relating to power resiliency, and would require certain entities, in order to be eligible for funding, to either describe the portion of their emergency plan that includes power outages or confirm that power outages will be included when the entity revises any portion of their emergency plan.</p>		
<p><a href="#">AB 428</a> <a href="#">Mayes</a></p>	<p>Amended 3/18/2021</p>	<p>Senate Elections and Constitutional Amendments</p>	<p><b>Local government: board of supervisors.</b> Current law requires each county to have a board of supervisors and provides for the organization and powers of the board of supervisors. Current law allows the board of supervisors of any general law or charter county to adopt or the residents of the county to propose, by initiative, limit or repeal a limit on the number of terms a member of the board of supervisors may serve on the board of supervisors. Current law also requires the board of supervisors to prescribe the compensation for all county officers. This bill would require that, when term limits are imposed, the limit must be no fewer than 2 terms. This bill would specify that the board of supervisors is included in the definition of county officers for whom the board of supervisors is required to prescribe compensation.</p>		
<p><a href="#">AB 455</a> <a href="#">Wicks</a></p>	<p>Amended 5/20/2021</p>	<p>Senate Transportation</p>	<p><b>San Francisco-Oakland Bay Bridge: transit-only traffic lanes.</b> Under current law, the San Francisco-Oakland Bay Bridge is part of the state highway system. Existing law authorizes the department to construct exclusive or preferential lanes for buses only or for buses and other high-occupancy vehicles, and may authorize or permit the exclusive or preferential use of designated lanes on existing highways that are part of the state highway system. This bill would authorize the authority, in consultation with the department, to designate transit-only traffic lanes on the San Francisco-Oakland Bay Bridge.</p>	<p>Support and Seek Amendment</p>	
<p><a href="#">AB 491</a> <a href="#">Ward</a></p>	<p>Amended 6/21/2021</p>	<p>Senate Appropriations</p>	<p><b>Housing: affordable and market rate units.</b> Would require that a mixed-income multifamily structure provide the same access to the common entrances, common areas, and amenities of the structure to occupants of the affordable housing units in the structure as is provided to occupants of the market-rate housing units. The bill would also prohibit a mixed-income multifamily structure from isolating the affordable housing units within the structure to a specific floor or an area on a specific floor. The bill would define various terms for these purposes.</p>		

<p><a href="#">AB 525</a> <a href="#">Chiu</a></p>	<p>Amended 6/24/2021</p>	<p>Senate Natural Resources and Water</p>	<p><b>Energy: offshore wind generation.</b> Current law requires the PUC and the Energy Commission to undertake various actions in furtherance of meeting the state’s clean energy and pollution reduction objectives. This bill would require the Energy Commission, on or before March 1, 2022, to evaluate and quantify the maximum feasible capacity of offshore wind to achieve reliability, ratepayer, employment, and decarbonization benefits, and to establish offshore wind planning goals for 2030 and 2045, as specified.</p>		
<p><a href="#">AB 561</a> <a href="#">Ting</a></p>	<p>Amended 4/6/2021</p>	<p>Senate Housing</p>	<p><b>Help Homeowners Add New Housing Program: accessory dwelling unit financing.</b> Current law provides for the creation by local ordinance, or by ministerial approval if a local agency has not adopted an ordinance, of accessory dwelling units in areas zoned to allow single-family or multifamily dwelling residential use in accordance with specified standards and conditions. This bill would authorize the Treasurer, within 6 months of the effective date of these provisions, to develop the Help Homeowners Add New Housing Program with the purpose of assisting homeowners, as defined, in qualifying for loans to construct additional housing units on their property, including accessory dwelling units and junior accessory dwelling units. The bill would, with regard to the development of the program, authorize the Treasurer to consult with the California Housing Financing Agency, the Department of Housing and Community Development, and various other entities, including private lenders, community development financial institutions, community-based organizations, and local housing trust funds.</p>		
<p><a href="#">AB 571</a> <a href="#">Mayes</a></p>	<p>Amended 5/3/2021</p>	<p>Senate Appropriations</p>	<p><b>Planning and zoning: density bonuses: affordable housing.</b> The Density Bonus Law requires a city or county to provide a developer that proposes a housing development in the city or county with a density bonus and other incentives or concessions for the production of lower income housing units, or for the donation of land within the development, if the developer agrees to, among other things, construct a specified percentage of units for very low income, low-income, or moderate-income households or qualifying residents, including lower income students. Current law requires the amount of a density bonus and the number of incentives or concessions a qualifying developer receives to be pursuant to a certain formula based on the total number of units in the housing development, as specified. This bill would prohibit affordable housing impact fees, including inclusionary zoning fees and in-lieu fees, from being imposed on a housing development’s affordable units.</p>		

<p><a href="#">AB 580</a> <a href="#">Rodriguez</a></p>	<p>Amended 4/12/2021</p>	<p>Senate Appropriations Suspense File</p>	<p><b>Emergency services: vulnerable populations.</b> Current law requires OES to establish a standardized emergency management system for use by all emergency response agencies. Current law requires the director to appoint representatives of the disabled community to serve on pertinent committees related to that system, and to ensure that the needs of the disabled community are met within that system by ensuring certain committee recommendations include the needs of people with disabilities. This bill instead would require the director to appoint representatives of the access and functional needs population, provided a majority of appointees are from specified groups, to serve on those committees and to ensure the needs of that population are met within that system.</p>		
<p><a href="#">AB 585</a> <a href="#">Rivas, Luz</a></p>	<p>Amended 6/30/2021</p>	<p>Senate Environmental Quality</p>	<p><b>Climate change: Extreme Heat and Community Resilience Program.</b> Would establish the Extreme Heat and Community Resilience Program for the purpose of coordinating state efforts and supporting local and regional efforts to mitigate the impacts of, and reduce the public health risks of, extreme heat and the urban heat island effect, and would require the Office of Planning and Research to administer the program through the Integrated Climate Adaptation and Resiliency Program.</p>		
<p><a href="#">AB 602</a> <a href="#">Grayson</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Housing</p>	<p><b>Development fees: impact fee nexus study.</b> Current law requires a city, county, or special district that has an internet website to make available on its internet website certain information, as applicable, including its current schedule of fees and exactions. This bill, among other things, would require, on and after January 1, 2022, a city, county, or special district that conducts an impact fee nexus study to follow specific standards and practices, including, but not limited to, (1) that prior to the adoption of an associated development fee, an impact fee nexus study be adopted, (2) that the study identify the existing level of service for each public facility, identify the proposed new level of service, and include an explanation of why the new level of service is necessary, and (3) if the study is adopted after July 1, 2022, either calculate a fee levied or imposed on a housing development project proportionately to the square footage of the proposed units, or make specified findings explaining why square footage is not an appropriate metric to calculate the fees.</p>		
<p><a href="#">AB 604</a> <a href="#">Daly</a></p>	<p>Introduced 2/11/2021</p>	<p>Senate Appropriations</p>	<p><b>Road Maintenance and Rehabilitation Account: apportionment of funds: accrued interest.</b> Would continuously appropriate interest earnings derived from revenues deposited in the Road Maintenance and Rehabilitation Account to the Department of Transportation for maintenance of the state highway system or for purposes of the State Highway Operation and Protection Program.</p>		

<p><a href="#">AB 642</a> <a href="#">Friedman</a></p>	<p>Amended 6/30/2021</p>	<p>Senate Appropriations</p>	<p><b>Wildfires.</b> Would require the Director of Forestry and Fire Protection to identify areas in the state as moderate and high fire hazard severity zones. The bill would additionally require the director classify areas into fire hazard severity zones based on additional factors, including possible lightning-caused ignition. The bill would require a local agency, within 30 days of receiving a transmittal from the director that identifies fire hazard severity zones, to make the information available for public comment. Because the bill would impose additional duties on local agencies, this bill would impose a state-mandated local program.</p>		
<p><a href="#">AB 648</a> <a href="#">Fong</a></p>	<p>Introduced 2/12/2021</p>	<p>Assembly Natural Resources</p>	<p><b>Greenhouse Gas Reduction Fund: healthy forest and fire prevention: appropriation.</b> Would continuously appropriate, beginning in the 2021–22 fiscal year and ending in the 2028–29 fiscal year, \$200,000,000 of the annual proceeds from the Greenhouse Gas Reduction Fund to the Department of Forestry and Fire Protection for (1) healthy forest and fire prevention programs and projects that improve forest health and reduce greenhouse gas emissions caused by uncontrolled wildfires and (2) prescribed fire and other fuel reduction projects through proven forestry practices consistent with the recommendations of the California Forest Carbon Plan, including the operation of year-round prescribed fire crews and implementation of a research and monitoring program for climate change adaptation.</p>		
<p><a href="#">AB 680</a> <a href="#">Burke</a></p>	<p>Amended 6/30/2021</p>	<p>Senate Environmental Quality</p>	<p><b>Greenhouse Gas Reduction Fund: California Jobs Plan Act of 2021.</b> Would enact the California Jobs Plan Act of 2021, which would require the Labor and Workforce Development Agency to work with the state board to update, by July 1, 2023, Greenhouse Gas Reduction Fund funding guidelines for administering agencies to ensure that all applicants to grant programs funded by the Greenhouse Gas Reduction Fund meet specified standards, including fair and responsible employer standards and inclusive procurement policies, as provided. The bill would require, among other things, administering agencies, on and after the adoption of the update to the funding guidelines, to give preference to applicants that demonstrate a partnership with an educational institution or training program targeting residents of under-resourced, tribal, and low-income communities, as defined, in the same region as the proposed project and to applicants that demonstrate the creation of high-quality jobs, as defined, by the proposed project.</p>		

<p><a href="#">AB 713</a> <a href="#">Garcia,</a> <a href="#">Cristina</a></p>	<p>Amended 5/24/2021</p>	<p>Senate Appropriations</p>	<p><b>State Air Resources Board: greenhouse gas emissions scoping plan: comprehensive health analysis.</b> The State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse This bill would require the state board to conduct a comprehensive health analysis in conjunction with the development of each update of the scoping plan that includes a framework to provide an overview of the breadth of health impacts and health benefits that may accrue from the outcomes in the scoping plan, as specified.</p>		
<p><a href="#">AB 758</a> <a href="#">Nazarian</a></p>	<p>Amended 5/3/2021</p>	<p>Senate Energy, Utilities and Communications</p>	<p><b>Marks-Roos Local Bond Pooling Act of 1985: electric utilities: rate reduction bonds.</b> The Marks-Roos Local Bond Pooling Act of 1985 authorizes certain joint powers authorities, upon application by a local agency that owns and operates a publicly owned utility, defined to mean certain utilities furnishing water or wastewater service to not less than 25,000 retail customers, to issue rate reduction bonds to finance utility projects, as defined, subject to certain requirements. Under the act, these rate reduction bonds are secured by a pledge of utility project property, and the joint powers authority issuing the bonds may impose on, and collect from, customers of the publicly owned utility a utility project charge to finance the bonds, as provided. This bill would expand the definition of a publicly owned utility for these purposes to include a local publicly owned electric utility, as defined. The bill would authorize an authority to issue rate reduction bonds to finance or refinance utility projects for the provision of generation, transmission, or distribution of electrical service.</p>		
<p><a href="#">AB 773</a> <a href="#">Nazarian</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Transportation</p>	<p><b>Street closures and designations.</b> Would authorize a local authority to adopt a rule or regulation by ordinance to implement a slow street program, which may include closures to vehicular traffic or through vehicular traffic of neighborhood local streets with connections to citywide bicycle networks, destinations that are within walking distance, or green space. The bill would require the local authority to meet specified conditions to implement a slow street, including a determination that closure or traffic restriction is necessary for the safety and protection of persons using the closed or restricted portion of the street, conducting an outreach and engagement process, and clearly designating the closure or traffic restriction with specific signage.</p>		

<p><a href="#">AB 784</a> <a href="#">Quirk</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Appropriations</p>	<p><b>Alameda-Contra Costa Transit District.</b> The Transit District Law authorizes any city together with unincorporated territory, or 2 or more cities, with or without unincorporated territory, in either the Counties of Alameda or Contra Costa or both, to organize and incorporate as a transit district divided into 5 wards with specified powers and duties relative to providing public transit service. This bill would repeal the authority to form a transit district under these provisions and would recognize the Alameda-Contra Costa Transit District as the district formed pursuant to this authority.</p>		
<p><a href="#">AB 838</a> <a href="#">Friedman</a></p>	<p>Amended 6/23/2021</p>	<p>Senate Gov. &amp; F.</p>	<p><b>State Housing Law: enforcement response to complaints.</b> Would, beginning July 1, 2022, require a city or county that receives a complaint of a substandard building or a lead hazard violation, as specified, from a tenant, resident, or occupant, or an agent of a tenant, resident, or occupant, except as specified, to inspect the building, portion of the building intended for human occupancy, or premises of the building, document the lead hazard violations that would be discovered based upon a reasonably competent and diligent visual inspection of the property and identify any building, portion of a building intended for human occupancy, or premises on which such a building is located that is determined to be substandard, as applicable. The bill would require the city or county, as applicable, to advise the owner or operator of each violation and of each action that is required to be taken to remedy the violation and to schedule a reinspection to verify correction of the violations.</p>		
<p><a href="#">AB 844</a> <a href="#">Grayson</a></p>	<p>Amended 6/29/2021</p>	<p>Senate Gov. &amp; F.</p>	<p><b>Green Empowerment Zone for the Northern Waterfront area of the County of Contra Costa.</b> Would, until January 1, 2028, authorize establishment of a Green Empowerment Zone for the Northern Waterfront area of the County of Contra Costa. The bill would authorize the Green Empowerment Zone to be composed of specified cities, upon adoption of a resolution by the city or county, and would provide for the Green Empowerment Zone to be governed by a board of directors. The bill would task the Green Empowerment Zone with various duties, including, among other things, identification of projects and programs that will best utilize public dollars and improve the economic vitality of the Northern Waterfront area of the of Contra Costa in a coordinated effort to support the development of the clean energy economy.</p>		

<p><a href="#">AB 897</a> <a href="#">Mullin</a></p>	<p>Amended 7/1/2021</p>	<p>Senate Natural Resources and Water</p>	<p><b>Office of Planning and Research: regional climate networks: regional climate adaptation action plans.</b> Current law requires, by July 1, 2017, and every 3 years thereafter, the Natural Resources Agency to update, as prescribed, the state’s climate adaptation strategy, known as the Safeguarding California Plan. Current law establishes the Office of Planning and Research in state government in the Governor’s office. Current law establishes the Integrated Climate Adaptation and Resiliency Program to be administered by the office to coordinate regional and local efforts with state climate adaptation strategies to adapt to the impacts of climate change, as prescribed. This bill would authorize eligible entities, as defined, to establish and participate in a regional climate network, as defined. The bill would require the office, through the program, to encourage the inclusion of agencies with land use planning authority into regional climate networks. The bill would authorize a regional climate network to engage in activities to address climate change, as specified.</p>	<p>Support</p>	<p>Support</p>
<p><a href="#">AB 917</a> <a href="#">Bloom</a></p>	<p>Amended 7/7/2021</p>	<p>Senate Judiciary</p>	<p><b>Vehicles: video imaging of parking violations.</b> Current law requires a designated employee, who is qualified by San Francisco, or a contracted law enforcement agency for the Alameda-Contra Costa Transit District, who is qualified by the city and county or the district to issue parking citations, to review video image recordings for the purpose of determining whether a parking violation occurred in a transit-only traffic lane and to issue a notice of violation to the registered owner of a vehicle within 15 calendar days, as specified. Current laws makes these video image records confidential, and provides that these records are available only to public agencies to enforce parking violations. Current law provides that if the Alameda-Contra Costa Transit District implements an automated enforcement system as described above, the district is required to submit a report to specified committees of the Legislature by no later than January 1, 2021. This bill would extend the authorization described above to any public transit operator in the state indefinitely, if the examiner or issuing agency, as specified, of a violation allows for the reduction or waiver of parking penalties for indigent individuals, as defined. The bill would authorize a designated employee or law enforcement agency to decline to issue a ticket, if there is evidence in the video of hardship.</p>	<p>Support</p>	

<p><a href="#">AB 950</a> <a href="#">Ward</a></p>	<p>Amended 5/27/2021</p>	<p>Senate Environmental Quality</p>	<p><b>Department of Transportation: sales of excess real property: affordable housing, emergency shelters, and feeding programs.</b> This bill would authorize the Department of Transportation to sell its excess real property to the city, county, or city and county where the real property is located if the city, county, or city and county agrees to use the real property for the sole purpose of implementing affordable housing, emergency shelters, or feeding programs, as specified. The bill would exempt these sales from the California Environmental Quality Act.</p>		
<p><a href="#">AB 965</a> <a href="#">Levine</a></p>	<p>Amended 6/29/2021</p>	<p>Senate Housing</p>	<p><b>Building standards: electric vehicle charging infrastructure.</b> Would require the Department of Housing and Community Development to, when considering proposed building standards for future electric vehicle charging infrastructure in existing multifamily dwellings, consider whether electric vehicle charging standards shall only apply to multifamily dwellings or during the time of construction activity requiring a building or electrical permit in order to minimize the cost of installing infrastructure, and whether to require up to 20% of parking spaces in existing multifamily dwellings to support future installation of electric vehicle charging infrastructure. The bill would require the commission, by July 1, 2024, or the publication of the next interim California Building Code, whichever comes first, to research, develop, and propose building standards regarding the installation of future electric vehicle charging infrastructure for parking spaces for existing nonresidential development, as specified.</p>		
<p><a href="#">AB 970</a> <a href="#">McCarty</a></p>	<p>Amended 5/10/2021</p>	<p>Senate Gov. &amp; F.</p>	<p><b>Planning and zoning: electric vehicle charging stations: permit application: approval.</b> Would require an application to install an electric vehicle charging station to be deemed complete if, 5 business days after the application was submitted, the city, county, or city and county has not deemed the application to be incomplete or issued a written correction notice detailing all deficiencies in the application, as specified. The bill would require an application to install an electric vehicle charging station to be deemed approved if 20 business days after the application was deemed complete, (1) the city, county, or city and county has not approved the application, (2) the building official has not made a finding that the proposed installation could have an adverse impact upon the public health or safety or required the applicant to apply for a use permit, (3) the building official has not denied the permit, and (4) an appeal has not been made to the planning commission of the city, county, or city and county, as specified.</p>		

<p><a href="#">AB 978</a> <a href="#">Quirk-Silva</a></p>	<p>Amended 6/24/2021</p>	<p>Senate Third Reading</p>	<p><b>Mobilehome parks: rent caps.</b> The Mobilehome Residency Law prescribes various terms and conditions of tenancies in mobilehome parks. Current law defines "tenancy" for these purposes as the right of a homeowner to use a site within a mobilehome park on which to locate, maintain, and occupy a mobilehome for human habitation, including the use of the services and facilities of the park. The Tenant Protection Act of 2019 prohibits, with certain exceptions, an owner of residential real property from increasing the gross rental rate for a dwelling or unit more than 5% plus the percentage change in the cost of living, as defined, or 10%, whichever is lower, of the lowest gross rental rate charged for the immediately preceding 12 months, subject to specified conditions. Current law excludes an owner or operator of a mobilehome park and an owner of a mobilehome or their agent from these provisions. This bill would extend these provisions to any person having the right to offer residential real property for rent, including an owner or operator of any dwelling or unit in a mobilehome park.</p>		
<p><a href="#">AB 983</a> <a href="#">Garcia, Eduardo</a></p>	<p>Amended 6/15/2021</p>	<p>Senate Gov. &amp; F.</p>	<p><b>Public contracts: construction projects: community workforce agreements: battery manufacturing and lithium-based technology.</b> Current law requires the California Workforce Development Board to report to the Legislature on the need for workforce development resources, including the use of community workforce agreements, among other things, to help industry, workers, and communities transition to economic and labor-market changes related to statewide greenhouse gas emissions reduction goals. This bill would authorize a public entity to use, enter into, or require contractors to enter into, a community workforce agreement, as defined, for construction projects related to battery manufacturing and lithium-based technology in the Salton Sea geothermal resource area.</p>		

<p><a href="#">AB 984</a> <a href="#">Rivas, Luz</a></p>	<p>Amended 7/1/2021</p>	<p>Senate Judiciary</p>	<p><b>Vehicle identification and registration: alternative devices.</b> Current law requires a vehicle to display a license plate, issued by the Department of Motor Vehicles, with tabs that indicate the month and year the vehicle registration expires. Current law authorizes the department to conduct a pilot program, until January 1, 2023, if certain conditions are met, to evaluate the use of alternatives to stickers, tabs, license plates, and registration cards. This bill would authorize the use of alternative devices intended to serve in lieu of license plates authorized by the department pursuant to the pilot program, as specified. The bill would require the department to establish a program authorizing an entity to issue alternatives to stickers, tabs, license plates, and registration cards under specified conditions that include, among others, approval of the alternative devices by the Department of the California Highway Patrol. The bill would make this authorization applicable to environmental license plates and specialized license plates displayed on an alternative device, as specified.</p>		
<p><a href="#">AB 989</a> <a href="#">Gabriel</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Housing</p>	<p><b>Housing Accountability Act: appeals: Office of Housing Appeals.</b> The Housing Accountability Act prohibits a local agency from disapproving, or conditioning approval in a manner that renders infeasible, specified housing development projects, including projects for very low, low-, or moderate-income households and projects for emergency shelters that comply with applicable, objective general plan, zoning, and subdivision standards and criteria in effect at the time the application for the project is deemed complete, unless the local agency makes specified written findings based on a preponderance of the evidence in the record. This bill would, until January 1, 2029, establish an Office of Housing Appeals (office) within the department, administered by the director of the department, to review housing development projects that are alleged to have been denied or subject to conditions in violation of the Housing Accountability Act. The bill would establish housing appeals panels, consisting of administrative law judges with specified qualifications, within the office.</p>

<p><a href="#">AB 1035</a> <a href="#">Salas</a></p>	<p>Amended 6/28/2021</p>	<p>Senate Appropriations</p>	<p><b>Department of Transportation and local agencies: streets and highways: recycled materials.</b> Would require the Department of Transportation and a local agency that has jurisdiction over a street or highway, to the extent feasible and cost effective, to use advanced technologies and material recycling techniques that reduce the cost of maintaining and rehabilitating streets and highways and that exhibit reduced levels of greenhouse gas emissions through material choice and construction method. The bill would require, beginning January 1, 2023, a local agency that has jurisdiction over a street or highway, to the extent feasible and cost effective, to apply standard specifications that allow for the use of recycled materials in streets and highways, as specified. By increasing the duties of local agencies, this bill would impose a state-mandated local program.</p>		
<p><a href="#">AB 1049</a> <a href="#">Davies</a></p>	<p>Introduced 2/18/2021</p>	<p>Assembly Transportation</p>	<p><b>Public Transportation Account: loan repayment.</b> Current law requires the transfer of a specified portion of the sales tax on diesel fuel to the Public Transportation Account, a trust fund in the State Transportation Fund. Current law requires funds in the account to be allocated to various public transportation and transportation planning purposes, with specified revenues in the account to be allocated by the Controller to specified local transportation agencies for public transportation purposes, pursuant to the State Transit Assistance (STA) Program. Current law provides for each STA-eligible operator within the jurisdiction of the allocating local transportation agency to receive a proportional share of the revenue-based program funds based on the qualifying revenues of that operator, as defined. The Budget Act of 2013 and the Budget Act of 2014 require the Controller, upon the order of the Director of Finance, to transfer specified amounts totaling up to \$55,515,000 as loans from the Public Transportation Account to the High-Speed Passenger Train Bond Fund. This bill would require \$54,000,000 from these loans to be repaid to the Public Transportation Account and would provide that these repaid funds are available, upon appropriation by the Legislature, to help offset the loss of revenues incurred by transit operators during the COVID-19 pandemic.</p>		

<p><a href="#">AB 1110</a> <a href="#">Rivas, Robert</a></p>	<p>Amended 7/7/2021</p>	<p>Senate Appropriations</p>	<p><b>Zero-emission vehicles: Office of the California Clean Fleet Accelerator: Climate Catalyst Revolving Loan Fund Program.</b> Would establish the Office of the California Clean Fleet Accelerator, administered by GO-Biz. The bill would also create the Clean Vehicles Ombudsperson, to be appointed by and report directly to the Director of GO-Biz, to oversee the activities of the Office of the California Clean Fleet Accelerator. The bill, among other things, would require the ombudsperson, in consultation with the Department of General Services (DGS), to consult with specified entities in identifying all available programs and incentives offered by the state that can help to reduce costs and increase participation in the master service agreement or leveraged procurement agreement, as specified.</p>		
<p><a href="#">AB 1143</a> <a href="#">Berman</a></p>	<p>Amended 6/14/2021</p>	<p>Assembly Concurrence</p>	<p><b>Civil procedure: restraining orders.</b> Current law permits a person who has suffered harassment, as defined, to file a petition for a temporary restraining order and a restraining order after hearing prohibiting the harassment. Current law requires the petitioner to personally serve the respondent with the petition for the temporary restraining order and restraining order, as applicable, and notice of the hearing. This bill would provide that if the court determines at the hearing that, after a diligent effort, the petitioner has been unable to accomplish personal service, and that there is reason to believe that the respondent is evading service or cannot be located, then the court may specify another method of service that is reasonably calculated to give actual notice to the respondent and may prescribe the manner in which proof of service shall be made.</p>		
<p><a href="#">AB 1147</a> <a href="#">Friedman</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Transportation</p>	<p><b>Regional transportation plan: Active Transportation Program.</b> Current law requires the Strategic Growth Council, by January 31, 2022, to complete an overview of the California Transportation Plan and all sustainable communities strategies and alternative planning strategies, an assessment of how implementation of the California Transportation Plan, sustainable communities strategies, and alternative planning strategies will influence the configuration of the statewide integrated multimodal transportation system, and a review of the potential impacts and opportunities for coordination of specified funding programs. This bill would require the council to convene key state agencies, metropolitan planning agencies, regional transportation agencies, and local governments to assist the council in completing the report.</p>		

<p><a href="#">AB 1157</a> <a href="#">Lee</a></p>	<p>Amended 3/15/2021</p>	<p>Senate Appropriations</p>	<p><b>Controller: transportation funds: distribution and reporting requirements.</b> Current law, for purposes of the State Transit Assistance Program, requires local transportation agencies to report to the Controller by June 15 of each year the public transportation operators within its jurisdiction that are eligible to claim specified local transportation funds. This bill would instead require local transportation agencies to report this information within 7 months after the end of each fiscal year.</p>		
<p><a href="#">AB 1174</a> <a href="#">Grayson</a></p>	<p>Amended 6/23/2021</p>	<p>Senate Gov. &amp; F.</p>	<p><b>Planning and zoning: housing: development application modifications, approvals, and subsequent permits.</b> The Planning and Zoning Law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit, if the development satisfies specified objective planning standards, including, among other things, that the development and the site on which it is located satisfy specified location, urbanization, and zoning requirements. Current law provides that a development approved pursuant to the streamlined, ministerial approval process is valid indefinitely if specified requirements are met, and otherwise is valid, except as provided, for 3 years from the date of the final action establishing that approval and remains valid thereafter for a project so long as vertical construction of the development has begun and is in progress. Current law authorizes a development proponent to request a modification to a development that has been approved under the streamlined, ministerial approval process if the request is submitted before the issuance of the final building permit required for construction of the development. This bill would clarify the requirements that must be met for an approved development to be valid indefinitely.</p>		
<p><a href="#">AB 1220</a> <a href="#">Rivas, Luz</a></p>	<p>Amended 6/24/2021</p>	<p>Senate Housing</p>	<p><b>Homelessness: California Interagency Council on Homelessness.</b> Would rename the Homeless Coordinating and Financing Council to the California Interagency Council on Homelessness and remove authorization for the Secretary of Business, Consumer Services and Housing's designee to serve as chair of the council. The bill would also change the composition of the council, as specified, including by creating and specifying the membership of an advisory committee to the council. The bill would also provide that the appointed members of the council or committees serve at the pleasure of their appointing authority. The bill would also require that upon request of the council, a state agency or department that administers one or more state homelessness programs, as described, to participate in council workgroups, task forces, or other similar administrative structures and to provide to the council any relevant information regarding those state homelessness programs.</p>		

<a href="#">AB 1226</a> <a href="#">McCarty</a>	Introduced 2/19/2021	Assembly Transportation	<b>Capitol Corridor rail line: capital improvements: appropriation.</b> Would appropriate an unspecified amount from the General Fund without regard to fiscal years to the Capitol Corridor Joint Powers Authority to invest in capital improvements for the Capitol Corridor.		
<a href="#">AB 1238</a> <a href="#">Ting</a>	Amended 7/6/2021	Senate Appropriations	<b>Pedestrian access.</b> Current law prohibits a pedestrian from entering the roadway if the pedestrian is facing a steady circular yellow or yellow arrow warning signal unless otherwise directed by a pedestrian control signal, as specified. This bill would eliminate that prohibition until January 1, 2029.		
<a href="#">AB 1297</a> <a href="#">Holden</a>	Amended 5/20/2021	Senate Housing	<b>California Infrastructure and Economic Development Bank: public and economic development facilities: housing.</b> The Bergeson-Peace Infrastructure and Economic Development Bank Act defines "public development facilities" for these purposes to mean real and personal property, structures, conveyances, equipment, thoroughfares, buildings, and supporting components thereof, excluding any housing, that are directly related to providing, among other things, housing-related infrastructure, as specified. The act defines "economic development facilities" for these purposes to mean real and personal property, structures, buildings, equipment, and supporting components thereof that are used to provide industrial, recreational, research, commercial, utility, goods movement, or service enterprise facilities, community, educational, cultural, or social welfare facilities and any parts or combinations thereof, and all necessary facilities or infrastructure, excluding any housing. This bill would authorize economic development facilities and public development facilities to include housing if the housing meets certain financing requirements and limits, as specified.		
<a href="#">AB 1304</a> <a href="#">Santiago</a>	Amended 6/21/2021	Senate Appropriations	<b>Affirmatively further fair housing: housing element: inventory of land.</b> Current law requires a public agency, as defined, to administer its programs and activities relating to housing and community development in a manner to affirmatively further fair housing, and to not take any action that is materially inconsistent with this obligation. This bill would clarify that a local agency has a mandatory duty to comply with the obligation described above. The bill would specify that this provision is a clarification of current law and not to be deemed a change in previous law.		

<p><a href="#">AB 1322</a> <a href="#">Rivas, Robert</a></p>	<p>Amended 6/21/2021</p>	<p>Senate Environmental Quality</p>	<p><b>California Global Warming Solutions Act of 2006: scoping plan: sustainable aviation fuels.</b> Would require the State Air Resources Board, as part of the next scoping plan update, to develop a plan, consistent with federal law, to use sustainable aviation fuels to reduce greenhouse gas emissions from aircrafts in the state by 40% below 1990 levels by 2030 and to achieve net-zero greenhouse gas emissions by 2045. The bill would require, no later than January 1, 2023, the state board to undertake certain actions, including consulting with designated state agencies and, if feasible, commercial airports, commercial and business airlines that operate in the state, aircraft manufacturers, sustainable aviation fuels producers and developers, and infrastructure providers to develop the plan.</p>

This bill would require the Department of General Services, on or before January 1, 2024, to establish and publish a maximum acceptable global warming potential for concrete, as specified. The bill would, beginning January 1, 2022, require an awarding authority to require a winning bidder for an eligible project to submit an Environmental Product Declaration developed in accordance with specified standards prior to installation of any concrete products..</p>		
<p><a href="#">AB 1384</a> <a href="#">Gabriel</a></p>	<p>Introduced 2/19/2021</p>	<p>Senate Environmental Quality</p>	<p><b>Resiliency Through Adaptation, Economic Vitality, and Equity Act of 2022.</b> Would require the Strategic Growth Council to develop and coordinate a strategic resiliency framework that makes recommendations and identifies actions that are necessary to prepare the state for the most significant climate change impacts modeled for 2025, 2050, and beyond, among other goals. The bill would require state agencies identified in the strategic resiliency framework to collaboratively engage with regional entities to enhance policy and funding coordination and promote regional solutions and implementation and to proactively engage vulnerable communities whose planning and project development efforts have been disproportionately impacted by climate change, as provided. The bill would authorize the Treasurer, and the financing authorities that the Treasurer chairs, to assist state agencies by leveraging public and private capital investment to help with loans and other incentives to attain the goals identified in the strategic resiliency framework.</p>		

<p><a href="#">AB 1395</a> <a href="#">Muratsuchi</a></p>	<p>Amended 6/28/2021</p>	<p>Senate Environmental Quality</p>	<p><b>The California Climate Crisis Act.</b> The California Global Warming Solutions Act of 2006 requires the State Air Resources Board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill, the California Climate Crisis Act, would declare the policy of the state to achieve net zero greenhouse gas emissions as soon as possible, but no later than 2045, and to achieve and maintain net negative greenhouse gas emissions thereafter. The bill would require the state board to work with relevant state agencies to ensure that by 2045 statewide anthropogenic greenhouse gas emissions are reduced to at least 90% below the 1990 level, to ensure that updates to the scoping plan identify and recommend measures to achieve these policy goals, identify a variety of policies and strategies that support nature-based climate solutions in California, as specified.</p>		
<p><a href="#">AB 1398</a> <a href="#">Bloom</a></p>	<p>Amended 7/5/2021</p>	<p>Senate Appropriations</p>	<p><b>Planning and zoning: housing element: rezoning of sites: prohousing local policies.</b> The Planning and Zoning Law, requires a county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city, and specified land outside its boundaries, that includes, among other things, a housing element. Current law requires that the housing element include, among other things, an inventory of land suitable and available for residential development. If the inventory of sites does not identify adequate sites to accommodate the need for groups of all household income levels, as provided, current law requires that the local government rezone sites within specified time periods. If the local government fails to adopt a housing element within 120 days of the applicable statutory deadline, existing law requires that the local government (A) complete this rezoning no later than 3 years and 120 days from the statutory deadline for the adoption of the housing element and (B) revise its housing element every 4 years until the local government has adopted at least 2 consecutive revisions by the statutory deadline. This bill would require that a local government that fails to adopt a housing element that the Department of Housing and Community Development has found to be in substantial compliance with state law within 120 days of the statutory deadline to complete this rezoning no later than one year from the statutory deadline for the adoption of the housing element.</p>

This bill would also require the safety element to be reviewed and updated to identify evacuation locations. By increasing the duties of local planning officials with respect to the update of general plans, this bill would impose a state-mandated local program.</p>		
<p><a href="#">AB 1442</a> <a href="#">Ting</a></p>	<p>Introduced 2/19/2021</p>	<p>Assembly Print</p>	<p><b>Accessory dwelling units.</b> Current law provides for the creation by local ordinance, or by ministerial approval if a local agency has not adopted an ordinance, of accessory dwelling units to allow single-family or multifamily dwelling residential use in accordance with specified standards and conditions. Current law, with certain exceptions, prohibits a local agency from using or imposing any additional standards, including, until January 1, 2025, owner-occupant requirements. This bill would make nonsubstantive changes to the latter provisions.</p>		

<p><a href="#">AB 1499</a> <a href="#">Daly</a></p>	<p>Amended 5/24/2021</p>	<p>Senate Appropriations</p>	<p><b>Transportation: design-build: highways.</b> Current law authorizes regional transportation agencies, as defined, to utilize design-build procurement for projects on or adjacent to the state highway system. Current law also authorizes those regional transportation agencies to utilize design-build procurement for projects on expressways that are not on the state highway system, as specified. Current law repeals these provisions on January 1, 2024, or one year from the date that the Department of Transportation posts on its internet website that the provisions described below related to construction inspection services for these projects have been held by a court to be invalid. This bill would extend the operation of these provisions until January 1, 2034. Brown Act requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require a local agency with an internet website, or its designee, to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. If a local agency determines it to be technologically infeasible to send a copy of the documents or a link to a website that contains the documents by email or by other electronic means, the bill would require the legislative body or its designee to send by mail a copy of the agenda or a website link to the agenda and to mail a copy of all other documents constituting the agenda packet, as specified.</p>

Current law defines "public works," for the purposes of regulating public works contracts, as, among other things, construction, alteration, demolition, installation, or repair work done under contract and paid for, in whole or in part, out of public funds. This bill would additionally authorize a community college district to let to any nonprofit entity any real property, as specified. The bill would authorize the community college district to agree to a rental fee or other charge for that use if the constructed building or buildings are developed and operated as affordable housing for students or employees, as defined, of the community college district, or for both those students and employees.</p>		
<p><a href="#">SB 339</a> <a href="#">Wiener</a></p>	<p>Amended 6/14/2021</p>	<p>Assembly Appropriations</p>	<p><b>Vehicles: road usage charge pilot program.</b> Current law requires the Chair of the California Transportation Commission to create a Road Usage Charge (RUC) Technical Advisory Committee in consultation with the Secretary of Transportation. Under existing law, the purpose of the technical advisory committee is to guide the development and evaluation of a pilot program to assess the potential for mileage-based revenue collection as an alternative to the gas tax system. Current law requires the technical advisory committee to study RUC alternatives to the gas tax, gather public comment on issues and concerns related to the pilot program, and make recommendations to the Secretary of Transportation on the design of a pilot program, as specified. Current law repeals these provisions on January 1, 2023. This bill would extend the operation of these provisions until January 1, 2027.</p>

The bill would require that program to provide mitigation against wildfire risk, including a grant program to assist qualifying owners to retrofit their structures to protect against wildfire or to create a defensible space around their structures. The bill would establish the Wildfire Loss Mitigation Fund as a continuously appropriated subaccount in the Wildfire Fund to fund the program.</p>		

<p><a href="#">SB 477</a> <a href="#">Wiener</a></p>	<p>Amended 6/24/2021</p>	<p>Assembly Appropriations</p>	<p><b>General plan: annual report.</b> The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the planning agency of a city or county to provide, by April 1 of each year, an annual report to, among other entities, the Department of Housing and Community Development that includes, among other specified information, the number of applications submitted, the location and total number of developments approved, the number of building permits issued, and the number of units constructed pursuant to a specific streamlined, ministerial approval process. This bill would, commencing January 1, 2024, require a planning agency to include in that annual report specified information on costs, standards, and applications for proposed housing development projects and specified information on housing development projects within the jurisdiction.</p>		
<p><a href="#">SB 478</a> <a href="#">Wiener</a></p>	<p>Amended 7/5/2021</p>	<p>Assembly Appropriations</p>	<p><b>Planning and Zoning Law: housing development projects.</b> The Planning and Zoning Law requires the Department of Housing and Community Development to notify the city, county, or city and county, and authorizes the department to notify the Attorney General, that the city, county, or city and county is in violation of state law if the department finds that the housing element or an amendment to that element, or any specified action or failure to act, does not substantially comply with the law as it pertains to housing elements or that any local government has taken an action in violation of certain housing laws. This bill would prohibit a local agency, as defined, from imposing a floor-to-area ratio standard that is less than 1.0 on a housing development project that consists of 3 to 7 units, or less than 1.25 on a housing development project that consists of 8 to 10 units. The bill would prohibit a local agency from imposing a lot coverage requirement that would physically preclude a housing development project from achieving the floor-to-area ratios described above.</p>		

<p><a href="#">SB 500</a> <a href="#">Min</a></p>	<p>Amended 6/23/2021</p>	<p>Assembly Appropriations</p>	<p><b>Autonomous vehicles: zero emissions.</b> Current law provides for various programs to promote the use of zero-emission vehicles, including the Clean Vehicle Rebate Project, which was established by the State Air Resources Board as a part of the Air Quality Improvement Program, to promote the use of zero-emission vehicles by providing rebates for the purchase of new zero-emission vehicles, and the Charge Ahead California Initiative, which establishes various goals, including the goal of placing in service at least 1,000,000 zero-emission and near-zero-emission vehicles by January 1, 2023. This bill, commencing January 1, 2030, and to the extent authorized by federal law, would prohibit the operation of certain new autonomous vehicles that are not zero-emission vehicles, as defined. The bill would also prohibit the DMV from commencing rulemaking for the adoption of regulations implementing this provision until January 1, 2027.</p>		
<p><a href="#">SB 533</a> <a href="#">Stern</a></p>	<p>Amended 7/1/2021</p>	<p>Assembly Appropriations</p>	<p><b>Electrical corporations: wildfire mitigation plans: deenergization events.</b> Would require that an electrical corporation's wildfire mitigation plan identify circuits that have frequently been deenergized to mitigate the risk of wildfire and the measures taken, or planned to be taken, by the electrical corporation to reduce the need for, and impact of, future deenergization of those circuits, including replacing, hardening, or undergrounding any portion of the circuit or of upstream transmission or distribution lines.</p>

Current law gives the authority all of the powers necessary for planning, acquiring, leasing, developing, jointly developing, owning, controlling, using, jointly using, disposing of, designing, procuring, and constructing facilities to achieve transit connectivity, including, among other powers, the power to enter into cooperative or joint development agreements with local governments or private entities necessary to achieve transit connectivity. This bill would require the authority to be considered a rail transit district, thereby exempting the authority from specified provisions related to regulation by counties and cities regarding building, zoning, and related matters.</p>		

<p><a href="#">SB 581</a> <a href="#">Atkins</a></p>	<p>Introduced 2/18/2021</p>	<p>Assembly Inactive File</p>	<p><b>General plan.</b> The Planning and Zoning Law, requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the planning agency of a city or county to provide by April 1 of each year an annual report to, among other entities, the Department of Housing and Community Development. The law requires that the annual report include, among other specified information, the number of housing development applications received and the number of units approved and disapproved in the prior year. This bill would additionally require the planning agency include in the annual report whether the city or county is a party to a court action related to a violation of state housing law, and the disposition of that action.</p>		
<p><a href="#">SB 591</a> <a href="#">Becker</a></p>	<p>Amended 6/10/2021</p>	<p>Assembly Third Reading</p>	<p><b>Senior citizens: intergenerational housing developments.</b> Would authorize the establishment of an intergenerational housing development that includes senior citizens along with caregivers and transition age youth, if specified conditions are satisfied. The bill would require that the covenants, conditions, and restrictions and other documents or written policy for the development set forth the limitations on occupancy, residency, or use. The bill would prescribe definitions for "senior citizen" and "transition age youth" for these purposes. The bill would require at least 80% of the occupied dwelling units in an intergenerational housing development to be occupied by at least one senior citizen, as specified, and up to 20% of the occupied dwelling units in the development to be occupied by at least one caregiver or transition age youth, as specified. The bill would require the development to be affordable to lower income households.</p>

The bill would establish the California Investment and Innovation Fund and, upon appropriation, require the I-Bank to award a grant to an eligible recipient, defined as a community development financial institution that meets specified criteria under the program, as provided. The bill would specify authorized uses of grant funds, including providing loans, grants, equity investments, or technical assistance within low-income communities or for purposes that have a direct and substantial benefit to lower income households.</p>		

<p><a href="#">SB 649</a> <a href="#">Cortese</a></p>	<p>Amended 4/19/2021</p>	<p>Assembly Rules</p>	<p><b>Local governments: affordable housing: local tenant preference.</b> Would establish a state policy supporting local tenant preferences for lower income households, as defined, that are subject to displacement risk, and, further, permit local governments and developers in receipt of local or state funds, federal or state tax credits, or an allocation of tax-exempt private activity bonds designated for affordable rental housing to restrict occupancy by creating a local housing preference for lower income households subject to displacement risk. The bill, subject to certain requirements and limitations, would authorize a local government to allow a local tenant preference in an affordable housing rental development to reduce displacement of lower income households with displacement risk beyond local government boundaries by adopting a program that allows preferences in affordable rental housing acquired, constructed, preserved or funded with state or local funds or tax programs.</p>		
<p><a href="#">SB 671</a> <a href="#">Gonzalez</a></p>	<p>Amended 6/15/2021</p>	<p>Assembly Appropriations</p>	<p><b>Transportation: Clean Freight Corridor Efficiency Assessment.</b> Would establish the Clean Freight Corridor Efficiency Assessment, to be developed by the California Transportation Commission, in coordination with other state agencies. In developing the assessment, the bill would require the commission to identify freight corridors, or segments of corridors, throughout the state that would be priority candidates for the deployment of zero-emission medium- and heavy-duty vehicles. The bill would require the commission to submit a report containing the assessment's findings and recommendations to certain committees of the Legislature by December 1, 2023. The bill would require the assessment's findings and recommendations to be incorporated into the development of the California Transportation Plan. The bill would require the state freight plan to include a description of needed infrastructure, projects, and operations for the deployment of zero-emission medium- and heavy-duty vehicles and the development of freight corridors identified in the assessment.</p>		

<p><a href="#">SB 674</a> <a href="#">Durazo</a></p>	<p>Amended 7/7/2021</p>	<p>Assembly Appropriations</p>	<p><b>Public Contracts: workforce development: covered public contracts.</b> Would require the Labor and Workforce Development Agency to create 2 programs, to be known as the California Jobs Plan Program and the United States Jobs Plan Program. The bill would require the programs to meet specified objectives, including supporting the creation and retention of quality, nontemporary full-time jobs, as specified, and the hiring of displaced workers and individuals facing barriers to employment. The bill would require, as a component of applications for covered public contracts, as defined, the creation of forms for each program that state the minimum numbers of proposed jobs that are projected to be retained and created if the applicant wins the covered public contract. These components of the application would be known as the California Jobs Plan and the United States Jobs Plan, which the bill would define.</p>

The bill would specify that the purpose of the strategy is to evaluate the plans, actions, and required funding needed to reach the state's various transportation greenhouse gas emissions and criteria pollutant reduction goals in a cost-effective, technology neutral, and efficient manner, specifically considering the role of sustainable transportation goals and programs.</p>		

<p><a href="#">SB 728</a> <a href="#">Hertzberg</a></p>	<p>Amended 4/15/2021</p>	<p>Assembly Appropriations</p>	<p><b>Density Bonus Law: purchase of density bonus units by nonprofit housing organizations.</b> Current law, commonly referred to as the Density Bonus Law, requires a city or county to provide a developer that proposes a housing development within the city or county with a density bonus and other incentives or concessions, as specified, if the developer agrees to construct, among other options, specified percentages of units for moderate-income or, lower, or very low income households and meets other requirements. Current law requires the developer and the city or county to ensure that the initial occupant of a for-sale unit that qualified the developer for the award of the density bonus is a person or family of very low, low, or moderate income. This bill, as an alternative to ensuring that the initial occupant of a for-sale unit is a person or family of the required income, would authorize the developer and the city or county to ensure that a qualified nonprofit housing organization that is receiving the above-described welfare exemption purchases the unit pursuant to a specified recorded contract that includes an affordability restriction, an equity sharing agreement, and a repurchase option that requires a subsequent purchaser that desires to sell or convey the property to first offer the nonprofit corporation the opportunity to repurchase the property.</p>

The Sales and Use Tax Law provides various exemptions from those taxes. This bill, on or after January 1, 2022, would provide an exemption from those taxes with respect to the sale in this state of, and the storage, use, or other consumption in this state of, a qualified motor vehicle, as defined, sold to a qualified buyer, as defined. The bill would provide that this exemption does not apply to specified state sales and use taxes from which the proceeds are deposited into the Local Revenue Fund, the Local Revenue Fund 2011, or the Local Public Safety Fund.</p>		

<p><a href="#">SB 778</a> <a href="#">Becker</a></p>	<p>Amended 6/21/2021</p>	<p>Assembly Accountability and Administrative Review</p>	<p><b>Buy Clean California Act: Environmental Product Declarations: concrete.</b> Would require as part of the Buy Clean California Act, beginning July 1, 2022, an awarding authority to require a successful bidder for a contract for an eligible project, as separately defined for purposes of these requirements, to submit a current Environmental Product Declaration, as defined, for each concrete product before the product is installed in the project, as provided. The bill would require the awarding authority, beginning January 1, 2023, when letting contracts that include concrete for use in an eligible project to require all bids to include the global warming potential, as defined, for each concrete product that will be delivered, the total concrete production CO2e, as defined, for all concrete products included in the bid, and an estimate of delivery emissions, as defined, from transporting the concrete. The bill would require the State Air Resources Board, on or before January 1, 2024, to establish, and the department to publish in the State Contracting Manual, in a department management memorandum, or on the department's internet website, the maximum global warming potential for concrete at the industry average global warming potential for concrete within each project region and performance class, as provided.</p>

Currentlaw provides for the membership of the governing body of the district, referred to as the public financing authority. This bill would authorize the legislative bodies, as defined, to appoint an alternate member to the public financing authority who may serve and vote in place of a member who is absent or disqualifies themselves from participating in a meeting of the authority. If a district has more than 3 participating affected taxing entities, the bill would authorize the legislative bodies of the taxing entities to, upon agreement, appoint only one member of their respective legislative bodies, and one alternate member, in addition to the public members.</p>		

<p><a href="#">SB 792</a> <a href="#">Glazer</a></p>	<p>Amended 5/20/2021</p>	<p>Assembly Appropriations</p>	<p><b>Sales and use tax: returns: online transactions: local jurisdiction schedule.</b> The Sales and Use Tax Law, administered and enforced by the California Department of Tax and Fee Administration, imposes a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state. Current law authorizes the department to require the filing of reports by any person or class of persons with information relating to sales of tangible personal property the storage, use, or other consumption of which is subject to the use tax, as specified. Current law requires a retailer or purchaser subject to the sales and use tax to file, on or before the last day of the month following each quarterly period, a return for the preceding quarterly period. This bill, for reporting periods beginning on or after January 1, 2022, would require a qualified retailer whose annual qualified sales of tangible personal property transacted online exceeded \$1,000,000 for the previous calendar year to include with each tax return a schedule that reports for each local jurisdiction the gross receipts from the qualified sale of tangible personal property shipped or delivered to a purchaser in that jurisdiction.</p>
