Agenda Item 4h - 21-1019

BATA Resolution No. 143, Revised. Program of Projects for BATA's Formula Share of the Local Partnership Program – Cycle 3.

Subject: A request for Authority approval of BATA Resolution No. 143. Revised authorizing the Cycle 3 program of projects for BATA's formula share of the Local Partnership Program.

Background: Senate Bill 1 (SB 1) directed \$200 million in new revenues per year to the Local Partnership Program (LPP), which rewards agencies with voter-approved taxes, tolls, and fees dedicated solely to transportation. The California Transportation Commission (CTC) adopted LPP Guidelines, which provides 60% of the annual amount to a formula program to be distributed among agencies with voter-approved taxes, tolls, or fees, and the remaining 40% to a competitive program.

BATA is eligible to receive LPP formula funds due to Regional Measures 1, 2 and 3.

On April 28, 2021 BATA adopted the original list of projects for programming the \$18.177 million from Cycle 3 LPP formula funds. Staff recommends revising the project list to include the San Mateo – Hayward Bridge Painting Towers project ready to list for construction in FY 22 and removing San Francisco-Oakland Bay Bridge Open Road Tolling Civil Design, which will be funded with bridge tolls. Allocation of LPP funds to the San Mateo – Hayward Bridge Painting Towers project fully funds construction for this priority rehabilitation project. Project details are as follows:

San Mateo – Hayward Bridge Painting Towers Construction

This Project proposes to clean and paint both the exterior surface and the interior surface of the steel towers from Piers 12 to 18 and Piers 21 to 27 of the San Mateo–Hayward Bridge (Bridge No. 35 0054) on State Route (SR) 92 in San Mateo County. The project will also replace the existing structural bolts on the towers, the hinges and other hardware on the tower access doors, and the pier access ladders.

The proposed projects meet the requirements set forth in CTC's approved LPP Guidelines. The programming amounts and years are summarized in Table 1.
