Agenda Item 3a - 21-1024

MTC Resolution No. 4458, Revised FY 2021-22 Overall Work Program (OWP), Amendment No.1

Subject: A request that the Committee refer MTC Resolution No. 4458, Revised, which would amend the MTC FY 2021-22 Overall Work Program (OWP), to include new grant awards as well as certain revisions to the scope of some work elements as well as OWP budget shifts within work elements, to the Commission for approval.

Background: The Fixing America's Surface Transportation Act (FAST Act) calls for the development of the Overall Work Program (OWP) by the federally designated Metropolitan Planning Organization (MPO). The Metropolitan Transportation Commission (MTC), as the federally designated MPO for the nine-county San Francisco Bay Area region, annually develops and maintains the OWP. The OWP is the principal document governing the budget, allocation, and use of federal and state transportation planning funds in the nine-county San Francisco Bay Area region.

The OWP is subject to periodic adjustments resulting from changes in activities, scope of work, project tasks and deliverables as well as revisions in revenues and expenditures during the fiscal year. The proposed Amendment No.1 to the FY 2021-22 OWP accounts for the following:

Consolidated Planning Grant:

- New Federal Transit Administration (FTA) 5304 \$500,000 for Network Management—Planning for Implementation.
- Supplemental Senate Bill (SB)1 formula funding - \$18,696.
- \$500,000 Federal Highway Administration (FHWA) State Planning and Research (SP&R) funds shifted to a new work item in the Overall Work Program (OWP). This change, including staffing support, is revised for federal reporting purposes and does not impact the overall budget or the budget for the Next Generation Bay Area Freeways Study.
- Scope update on BART Metro 2030.

In addition to the transportation planning funds authorized in Resolution No. 4458, the MTC Budget Summary table included in the FY 2021-22 OWP, contains operating and capital project and funding.

Commission approval is the first step in authorizing the FY 2021-22 expenditure of federal and state funds. Following approval by the Commission, Caltrans will review and approve the OWP, which must then be included in the MTC Operating budget for FY 2021-22.

An electronic version of the FY 2021-22 OWP can be reviewed at the following link: <https://mtc.ca.gov/about-mtc/administrative-requirements/overall-work-program-owp>.

Recommendation: Staff recommends that the Committee refer MTC Resolution No. 4458, Revised, to the Commission for approval.
