MTC Resolution No. 3931, Revised - Policy Advisory Council Appointments & Stipends

Subject:

Update on stipends and appointments to the 4-year Policy Advisory Council term that will run January 1, 2022 - December 31, 2025.

Summary:

MTC Resolution No. 3931, Revised, which created the MTC Policy Advisory Council (“Council”), calls for recruitment and appointment of a new Council every four years. All voting Commissioners have reviewed the applications and affirmatively named their appointments. Staff is also recommending increasing the meeting stipend for the first time since the Policy Advisory Council was established in 2010.

Background:

The Council consists of 27 members, one third (9) representing communities of color, environmental justice or low-income interests; one third (9) representing older adults (a.k.a. “senior”) or disabled interests; and one third (9) represent economic and environmental interests. Current advisors were eligible for reappointment for a new term, provided they re-apply, along with new candidates.

Nine Council members — one from each county — are to represent low-income communities and communities of color, with four aligned with low-income communities, four representing communities of color, with the ninth member coming from either category. The same formula holds for the nine members representing older adults and persons with disabilities (one from each county, with four from each category and the ninth member coming from either). These advisors are recommended for appointment by the Commissioners from their particular county.

Of the nine members representing economic and environmental interests, four represent the economy, and four represent the environment, with the ninth member selected from either category. These advisors are recommended for appointment by the Commission chair and vice chair on an at-large basis; with at least one member each from the five most populous Bay Area counties — Alameda, Contra Costa, San Francisco, San Mateo, and Santa Clara.

Recruitment Results:

The recruitment window lasted seven weeks from June 14 – August 1, 2021. The recruitment announcement and online application were posted to MTC’s website, and a press release was picked up in the local press and shared on social media sites including LinkedIn, Facebook, and Twitter. An announcement was also included in MTC’s E-newsletter to 33,200 individuals (including our partner agencies), subscribers to our headlines (15,600 people), as well as a blog post (1,700 subscribers). In addition, hundreds of postcards were distributed via libraries in all nine counties to reach those without internet access.

132 applications were submitted for the 27 available seats, including 17 applications from current advisors. Applicants included individuals from a range of fields including academics, business professionals, community leaders and transportation system users. The candidates possessed a rich array of skills and experiences, and this year’s recruitment pool stood out for its deep knowledge and demonstrated commitment to improving the quality of life for all Bay Area residents.

Selection and Appointment:

Staff completed an initial review of the applicants for experience and availability to attend Council meetings. Following this initial assessment, staff did a second assessment - including group Zoom interviews with non-incumbents – to further assess the extremely well-qualified pool of candidates. Following these assessments, staff made an initial set of recommendations, while also sharing application materials from all of the candidates' to the relevant Commissioners for consideration. Staff received recommendations from all voting members of the Commission. The recommended candidates are included at the end of this memo.

Compensation:

Dating back to when the current iteration of the Policy Advisory Council was established in 2009, Members have been provided with a \$50 stipend per meeting (up to 3 meetings per calendar month), along with transportation costs. During the recruitment period, a number of candidates asked whether the compensation and stipend policy would be updated to lower participation barriers for representatives from low-income and other historically excluded

communities. A survey of other regional bodies indicated that meeting stipends go significantly higher. For example, the California Air Resource Board, the San Francisco Bay Conservation and Development Commission, and the Bay Area Air Quality Management District pay their advisory board members upwards of \$500 per meeting.

Issues:

Representation on the Council reflecting the Bay Area's diverse communities and constituencies.

Staff Recommendations:

MTC Resolution No. 1058 currently states that Policy Advisory Council Members' stipends be set at \$50 per meeting while Commissioners are paid \$100 stipends per meeting. Staff recommends that the Joint MTC ABAG Legislation Committee request the Administration Committee update MTC Resolution No. 1058 to increase Policy Advisory Council Members' stipends to \$100 per meeting compensation for up to three (3) meetings in any calendar month. Staff requests Staff further recommends that you refer MTC Resolution No. 3931, Revised, to appoint the Policy Advisory Council members for the new term to the Commission for approval.

A. Mission Statement

The mission of the Metropolitan Transportation Commission's Policy Advisory Council (Council) is to advise the Commission on transportation policies in the San Francisco Bay Area, incorporating diverse perspectives relating to the environment, the economy and social equity. The Council advises the Commission and its staff through the appropriate MTC standing committees on matters within MTC's jurisdiction and as assigned by the Commission.

B. Roles/Expectations

1. Advisors Provide Interest-Based and/or Geographic Perspectives

Advisors should represent the stakeholder interest under which they have been appointed. Although some advisors may be appointed based on an organizational affiliation, they should represent their constituency (not just their individual organization).

2. Responsibilities

Advisors will be expected to regularly attend their Council meetings and to maintain an ongoing engagement with organizations and individuals who make up the advisor's constituency.

3. Council Work Plan

The Commission will hold an annual workshop as a separately agendized meeting with the Policy Advisory Council to set the Council's work plan and schedule for the year. At this meeting, the Commission will identify several priority areas in which it desires feedback and/or research from the Council, and establish appropriate goals and performance measures. Advisors also will be given the opportunity to recommend initiatives of potential relevance to the Commission for inclusion in the work plan.

4. Reporting to the Commission

With the assistance of MTC staff, the Council will report on its work plan progress or present recommendations to the full Commission or MTC's standing committees, as appropriate.

5. Limitations on Advisor Activities

The role of the advisors is to advise the MTC Commission. Advisors are not to convey positions to outside agencies on behalf of the Council, independent of Commission action.

6. Conflict of Interest Policy

In order to avoid potential conflict of interest, no person shall sit on the Policy Advisory Council and concurrently be in a business relationship with MTC/BATA. A member is considered to have a business relationship with MTC/BATA when that member is employed by or serves on the Board of Directors of an organization that has received a grant or contract award from MTC – where MTC staff alone reviews proposals and recommends an organization or organizations for award of that grant or contract. In such cases, the member shall resign from the Council for the duration of the contract or grant, but may reapply for any vacancies upon completion of the contract or grant.

7. Ethics Training

All members of the Council shall complete an ethnics training course within the first year of their term on the Council.

C. Membership

The Council shall be composed of twenty-seven (27) members as follows.

A total of nine (9) members, one from each Bay Area county, shall be selected to represent interests related to the communities of color, environmental justice and low-income issues. A minimum of four members shall represent the communities of color, and a minimum of four shall represent environmental justice/low-income issues. The ninth member shall be selected from either category.

A total of nine (9) members, one from each Bay Area county, shall be selected to represent the interests of disabled persons and seniors. A minimum of four members shall represent senior issues, and a minimum of four shall represent disabled issues. The ninth member shall be selected from either category.

A total of nine (9) members shall be selected to represent interests related to the economy and the environment. A minimum of four members shall represent economy interests and a minimum of four members shall represent environmental interests. The ninth member shall be selected from either category. Of these nine seats, at least five should be held by residents from each of the five most populous counties. The remaining four seats may be selected at large from throughout the entire Bay Area.

There shall be no alternates to the appointed membership.

D. Appointment Process

1. General

MTC staff shall secure nominations to fill terms and vacancies for the Council and present them to the appropriate Commissioners for confirmation. Appointments for advisors representing a particular county will be made by that county's Commissioners. Appointments for all the at-large advisors will be made by the Commission's chair and vice chair. Nominations for members of the Council will be solicited from a wide range of sources including, but not limited to: MTC Commissioners, current advisors, relevant organizations in the community, and via news releases or display ads sent to media outlets in the nine-county Bay Area.

2. Terms of Appointment

In general, advisors will serve four-year terms. Although there are no term limits, MTC Commissioners are to consider length of service and effectiveness before recommending the reappointment of advisors. All advisors wishing to be reappointed must reapply.

E. Procedures

Attendance and Participation

1. Advisors must attend at least two-thirds of the Council's regularly scheduled meetings each year and make a constructive contribution to the work of the Policy Advisory Council. Those who do not do so may be subject to dismissal from the Council at the discretion of the appointing Commissioner(s).

2. Residency Requirements

Advisors must live or work in the nine-county Bay Area.

3. Compensation

Subject to the Commission Procedures Manual (MTC Resolution No. 1058, Revised,

Appendix D), advisors will receive a stipend per meeting and be reimbursed for actual expenses for travel, with a maximum of three meetings per month. Meetings are defined as a) publicly noticed meetings or meetings of ad hoc working groups of the Council; b) noticed MTC Commission or committee meetings; or c) attendance at a community meeting at the request of the Commission or MTC staff to provide outreach assistance (i.e., when he/she attends a community meeting with MTC staff to provide an introduction to a particular community).

4. Meeting Frequency and Location of Meetings

The Council will meet regularly as required by its annual work plan. Public meetings will be held at the MTC offices or other locations at a regular time to be agreed upon by the members of the Council.

5. Ad Hoc Working Groups

To implement its work plan, the Council may establish working groups, with participation from MTC staff, on an ad hoc basis.

6. Quorum Requirements

At least 50 percent plus one of the Council's appointed membership must be present to constitute a quorum and vote on issues. The Council can hold discussions in the absence of a quorum, but cannot vote.

7. Election of Council Chair and Vice Chair

The Council will have a chair and a vice-chair, to be elected by the council for a two-year term. Although Council officers may be reelected, regular rotation of these positions among the Council membership is strongly encouraged.

8. Public Meetings

All Council meetings and any ad hoc working group meetings will be noticed and open to the public.

PROCEDURES MANUAL

INTRODUCTION

The Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for that area of California comprising the City and County of San Francisco and the Counties of Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, Solano, and Sonoma (Government Code § 66500 *et seq.*). These nine counties of the Bay Area cover an area of approximately 7,000 square miles and have a population of approximately 7.2 million (2010 census). Within the structure of California governmental agencies, MTC is classified as a local area planning agency and not as part of the executive branch of the state government.

In accordance with its legislative mandate, MTC adopted a Regional Transportation Plan (RTP) in June 1973. Thereafter, the Commission has regularly reviewed and revised the RTP in compliance with the statutory requirement of continuing plan review. The enactment of Senate Bill 375 (Steinberg) in 2008 requires MTC to adopt a Sustainable Communities Strategy (SCS) together with its RTP to strive to reach greenhouse gas (GHG) reduction targets. The first SCS/RTP is scheduled for adoption in 2013.

The Commission is charged with certain responsibilities for implementation of the SCS/RTP, as well as the RTP standing alone. Applications of local agencies for grants of certain state and federal transportation funds are subject to MTC review and approval as to their compatibility with the RTP. Generally, the state must conform to the RTP in allocating funds for construction on the state highway system within the MTC region.

Legislation passed in 1997 gave MTC increased decision-making authority over the selection of project and allocation of funds for the State Transportation Improvement Program (STIP). MTC is the agency responsible for allocation of local transportation funds among qualified claimants

under the Transportation Development Act (TDA) (Public Utilities Code § 99200 *et seq.*). The TDA statute provides MTC with a role in fulfilling fiscal and performance audit requirements with respect to claimants of TDA funds.

Under AB 1107 (Public Utilities Code § 29142.2), MTC allocates among eligible claimants one-fourth of the one-half cent Bay Area Rapid Transit District (BART) sales tax in Alameda, Contra Costa and San Francisco counties. Under AB 664 (Streets and Highways Code § 30880 *et seq.*), MTC is responsible for allocation of net revenues of state toll bridges located within the region. Pursuant to Streets and Highways Code § 30889, MTC may establish tolls for such bridges in order to generate net revenues provided that net revenues may not exceed the average net revenues available during fiscal year 1977-78 and 1978-79, except as may be adjusted annually according to the appropriate inflationary index as adopted by MTC. SB 620 (Public Utilities Code § 99310 *et seq.*) provides MTC with authority to allocate the regional share of the State Public Transportation Account.

MTC is responsible for meeting state and federal Transportation Improvement Program (TIP) requirements for the Bay Region. (Government Code § 65080 *et seq.* and 23 Code of Federal Regulations Section 450 Subpart B.) The Commission is the region's Metropolitan Planning Organization (MPO) and conducts the continuing, comprehensive, cooperative planning program necessary to maintain this region's eligibility for federal transportation funding. (23 Code of Federal Regulations Section 450 Subpart A.) MTC is the designated recipient of large urbanized area Federal Transit Administration (FTA) formula funds, such as 5307, 5339, and 5337. MTC is also designated other responsibilities for FTA funds by the California Department of Transportation (Caltrans), such as the 5303 planning funds, 5311, and 5310.

Through state law, MTC has programming responsibilities for Federal Highway Administration (FHWA) funds such as Surface Transportation Program (STP) and Congestion Mitigation and Air Quality Improvement (CMAQ). MTC is also responsible for submitting a Regional Transportation Improvement Program to the California Transportation Commission and Caltrans every two years.

MTC has conducted special planning studies at a multi-regional and subregional level. Examples include the Transit Connectivity Plan, the Transit Sustainability Project, and the Regional Goods Movement Study. MTC is jointly responsible with the Association of Bay Area Governments (ABAG) and the Bay Area Air Quality Management District (BAAQMD) for air quality planning to meet the requirements of the federal Clean Air Act, as amended, and shares with the BAAQMD the responsibility for air quality transportation control measures under the state Clean Air Act, as amended. MTC shares with ABAG the responsibility for preparing the SCS.

The Metropolitan Transportation Commission Service Authority for Freeways and Expressways (“MTC SAFE”) was created by legislation effective January 1, 1988 (Streets and Highways Code § 2550 *et seq.*), which authorized the creation of an MTC SAFE to provide for implementation, maintenance and operation of motorist-aid services through a call box program linked directly to the California Highway Patrol and a fleet of roving tow truck patrols, the Freeway Service Patrol. Under the law, MTC oversees the regional SAFE, which was officially convened in mid-1988.

The Bay Area Toll Authority (“BATA”) was created by legislation effective January 1, 1998 (Streets & Highways Code § 30950 *et seq.*) to administer the base \$1 toll on the San Francisco Bay Area’s seven state-owned toll bridges. Pursuant to additional legislation including SB 60, AB 1171, AB 144 and AB 1175 and voter-approved toll increases, tolls in addition to the \$1.00 base toll are collected and administered. Under the law, MTC serves as BATA.

In July, 2012 AB 57 (Beall) was chaptered. AB 57 amended Sections 66503 and 66504 of the Government Code to add, effective January 1, 2013, two additional voting seats on the commission and impose certain other requirements on commissioner appointments as further outlined in Part I of this Commission Procedures Manual.

In 2015 Congress enacted, and the President signed into law the FAST Act (23 U.S.C. §101). Title 23 U.S.C. §134 (d)(2) provides that a metropolitan planning organization shall consist of local officials, officials of public agencies that administer or operate major modes of transportation in the metropolitan area, including representation by providers of public transportation, and appropriate

State officials. Title 23 U.S.C. §134 (d)(3)(B) provides that, subject to the bylaws or enabling statute of the metropolitan planning organization, a representative of a provider of public transportation may also serve as a representative of a local municipality.

In October 2019, AB 1487 (Chiu) was chaptered. AB 1487 added Title 6.8 to the Government Code, commencing with Government Code Section 64510, which created the Bay Area Housing Finance Authority (“BAHFA”) with jurisdiction extending throughout the San Francisco Bay Area and provided that BAHFA shall be governed by the same board that governs MTC.

For the purposes of this Commission Procedures Manual, the term “MTC” includes the four agencies: the Metropolitan Transportation Commission, the Metropolitan Transportation Commission Service Authority for Freeways and Expressways, the Bay Area Toll Authority and the Bay Area Housing Finance Authority. It also includes two joint powers authorities formed by MTC and BATA: the Bay Area Infrastructure Financing Authority (“BAIFA”), and the Bay Area Headquarters Authority (“BAHA”).

I. THE COMMISSION AND COMMISSIONERS

1.01. Commissioners. Effective January 1, 2013, there are eighteen voting commissioners. The City and County of San Francisco and the Counties of Contra Costa and San Mateo, each have two commissioners, and the Counties of Alameda and Santa Clara each have three commissioners, appointed as follows: the Board of Supervisors of each county appoints one commissioner; in San Francisco, the Mayor appoints one commissioner; in each of the remaining counties, the City Selection Committee appoints one commissioner; and in the Counties of Alameda and Santa Clara, the Mayors of the Cities of Oakland and San Jose shall be self-appointed or shall appoint a member of their respective City Councils to serve as the third commissioner . The Counties of Marin, Napa, Solano, and Sonoma each have one commissioner who is appointed by the county's Board of Supervisors from a list of three nominees furnished by the Mayor's Selection Committee. The Association of Bay Area Governments appoints one commissioner who shall not be from the Counties of Alameda or Santa Clara or from the City and County of San Francisco. The San Francisco Bay Conservation and Development Commission appoints one commissioner, who shall be a resident of the City and County of San Francisco approved by the Mayor of San Francisco. All appointments are subject to Section 1.02.

Effective September 28, 2016, any sitting commissioner who also serves on the board of a public transit agency shall be deemed to be a representative of a provider of public transportation within the meaning of the FAST Act ("Transit Representative"). Subsequent to September 28, 2016, at the beginning of each Commission term, the Chair shall designate and the Commission shall approve any sitting commissioner who also serves on the board of a public transit agency as a Transit Representative. Upon a vacancy occurring during a Commission term of a commissioner then serving as a Transit Representative, the Chair shall designate, and the Commission shall approve, one or more representatives not then currently designated, if any, from the commissioners then currently on the board who are also serving on a board of a transit agency as a Transit Representative.

The Commission's enabling legislation provides for three non-voting members, one appointed by the Secretary of the Business, Transportation and Housing Agency, and one each appointed by the United States Department of Transportation, and the United States Department of Housing and Urban Development.

1.02. Selection. The basis for selection of a commissioner is special familiarity with the problems and issues in the field of transportation. Elected or appointed public officers may serve as commissioners during their terms of public office. The effect of this is that such public officers are not prohibited from being commissioners; i.e., the two positions are not necessarily incompatible. No more than three voting members of the Commission shall be residents of the same county.

1.03. Term of Office. The term of office of a commissioner is four years. Since the initial term for commissioners commenced February 10, 1971, the organizational meeting date of the Commission, the four-year terms of commissioners shall commence quadrennially from that date. The current appointment term began February 10, 2019. The next appointment dates are February 10, 2023 and February 10, 2027. Appointments to fill a resignation or vacancy during a term shall be only for the balance of such term. Commissioners shall continue to serve as such until reappointed or until their successor is appointed; provided that, where a commissioner has been appointed as a public officer, the commissioner must vacate his/her Commission seat upon ceasing to hold such public office, unless the appointing authority consents to completion of the commissioner's term (Government Code Section 66504).

1.04. Oath of Office. Commissioners shall complete oath of office forms when they are appointed to the Commission, which are then notarized. The original is kept on file at the MTC offices.

1.05. Conflict of Interest Code. The Commission adopted a conflict of interest code by Resolution No. 1198, Revised (Appendix A), which was subsequently approved by the State of California Fair Political Practices Commission. Commissioners are required to file annual statements of economic interest and within thirty days of assuming or leaving office.

1.06. Alternates. There is no provision for voting alternates for the voting commissioners. Substitutes may sit on behalf of non-voting commissioners.

1.07. Reimbursement. Commissioners serve without compensation. Commissioners are entitled to receive reimbursement for actual and necessary expenses incurred in connection with the performance of their duties. In lieu of such reimbursement for attendance at Commission or committee meetings, each commissioner shall receive one hundred dollars (\$100.00) per meeting for a maximum of five (5) such meetings in any one calendar month, plus necessary travel expenses as authorized by the Commission pursuant to the rates and terms set forth in Appendix B to this manual. Commissioners may be reimbursed a separate per diem for each such meeting in any one day up to the monthly maximum reimbursement number of meetings. The monthly maximum is calculated and applied separately to MTC, BATA and BAHFA; provided however that for BAHFA a maximum of two monthly meetings shall be applicable. BAIFA and BAHA meeting per diem is applied and counts toward the BATA monthly maximum. No reimbursement applies to MTC SAFE meetings.

1.08. Travel Expenses. Commissioners shall be paid necessary traveling expenses as may be authorized from time to time by the Commission. The Commission policy for travel expenses is set forth in Appendix B to this manual. The policy applies to all MTC employees as well.

1.09. Orientation for New Commissioners. When a new commissioner is appointed to the Commission, the Secretary to the Commission will provide the commissioner, along with administrative materials, copies of the current major MTC, BATA, BAHFA, MTC SAFE, BAIFA and BAHA documents and an overview of the content of these documents. The Secretary will also arrange an orientation session for the new commissioner with the Executive Director and section managers.

II. OFFICERS

2.01. Commission Officers. There are two (2) Commission officers: a Chair and a Vice-Chair. Any voting commissioner is eligible to hold the office of Chair or Vice-Chair. Non-voting commissioners are ineligible for such offices.

2.02. Term. The Chair and Vice-Chair shall serve two-year terms commencing upon elections at the regular Commission meeting in February of odd numbered years. A commissioner may serve as Chair or Vice-Chair without restriction as to number of terms. The Chair and Vice-Chair shall serve as such until their successors are elected.

2.03A. Nomination/Election of Commission Officers (New Commission Term). In years when new Commission terms begin, the following procedure for the nomination and election of Commission officers shall be followed:

- a. The Commission shall meet on February 10, or within five working days thereof, for a special meeting. The meeting date shall be set by the prior Commission.
- b. The existing Chair, if reappointed, or if not reappointed, the Vice-Chair, if reappointed, or if not reappointed, the reappointed commissioner with the longest continuous length of service, shall preside over the meeting, and is the Acting Chair until the election of new officers.
- c. The Acting Chair shall at this special meeting appoint an Ad Hoc Nominating Committee of commissioners subject to the confirmation of the Commission.
- d. The Ad Hoc Nominating Committee shall meet and send its report in writing to the Commission with the packet for the regular February meeting.
- e. The Acting Chair shall convene the regular February meeting, usually the fourth Wednesday of the month, at which the Ad Hoc Nominating Committee shall give its report as the first order of business. Additional nominations may be offered after the Committee report. Thereafter, nominations may be closed; but, if not closed, nominations shall remain open until the March meeting.
- f. The Commission shall elect a Chair and Vice-Chair at its regular February meeting, or as soon thereafter as possible after nominations are closed.
- g. Upon the election of new officers, the new Chair shall take over the gavel and conduct the remaining business of the meeting.

2.03B. Nomination/Election of Commission Officers (Mid-Commission Term.) The Chair shall appoint an Ad Hoc Nominating Committee of commissioners subject to the confirmation of the Commission at the regular Commission meeting in December of even-numbered years. The Ad Hoc Nominating Committee shall send its report in writing to the Commission with the packet for the regular January Commission meeting. Additional nominations may be offered after the Committee report. Thereafter, nominations may be closed; but, if not closed, nominations shall remain open until the February Commission meeting. The Commission shall elect a Chair and Vice-Chair at its regular February meeting as the first order of business, or as soon thereafter as possible.

2.04. Duties of Chair. The Chair shall preside at all meetings of the Commission, state each question for vote, announce the decision, and decide all questions of order subject to appeal to the Commission. The Chair is a voting ex-officio member of all standing committees of the Commission, with the exception of any joint committee formed with the Association of Bay Area Governments (“ABAG”). As an ex-officio member of a standing committee the Chair shall vote only when necessary to attain a quorum of voting members of a committee. In the case of joint committees formed with ABAG, the Chair if so appointed to such committee shall be a full voting member, authorized to vote whether or not there is a quorum. The Chair shall execute all resolutions adopted by the Commission, the approved minutes, and any other documents that may require the signature of the Chair.

The Chair shall appoint, subject to approval of the Commission, members of standing committees, and subsequent to September 28, 2016, the Chair shall designate, subject to approval of the Commission, the Transit Representative(s). In making committee and Transit Representative appointments/designations, the Chair shall, as much as possible, attempt to balance the representation of various areas of the region. The Chair shall select the Chair and Vice-Chair of each committee subject to approval of the Commission. The Chair should request individual commissioners to submit their preferences and areas of interest regarding appointment to

committees. The Chair shall also appoint, subject to the approval of the Commission, Commission members of special committees.

In years when a new Chair is elected, then current committee members, chairs, and vice chairs shall continue to serve as such until the new Chair makes new committee appointments. 2.05. Duties of Vice-Chair. The Vice-Chair shall assume the Chair's duties in his/her absence. The Vice-Chair is a voting ex-officio member of all standing committees of the Commission, with the exception of any joint committee formed with ABAG. As an ex-officio member of a standing committee the Vice-Chair shall vote only when necessary to attain a quorum of voting members of a committee. In the case of joint committees formed with ABAG, the Vice-Chair if so appointed to such committee shall be a full voting member, authorized to vote whether or not there is a quorum.

2.06. Chair Pro Tem. If both the Chair and Vice-Chair are or will be absent from a Commission meeting or other functions, or duties of the Chair must be performed (including, but not limited to, the execution of documents), the most senior member of the Commission shall perform such functions and duties.

If the vacancy is to be filled, an ad hoc nominating committee shall be appointed by the Chair, subject to the approval of the Commission at the next regular Commission meeting. At the Commission meeting following the meeting approving the ad hoc nominating committee, the ad hoc nominating committee shall present its written report which shall be included in the meeting packet sent to commissioners; additional nominations, if any, may be made by commissioners at the meeting; nominations shall thereafter be closed and the election for Vice-Chair held at that meeting.

C. Chair and Vice-Chair. In the event the office of Chair and Vice-Chair are both vacated simultaneously during their terms, the vacancy for Chair and Vice-Chair shall be filled in the same manner as the vacancy for Vice-Chair in paragraph B of this Subsection, with the ad hoc nominating committee being appointed by the Commission.

A preliminary agenda shall be distributed electronically or by regular or express mail prior to the date of the meeting, consistent with the Brown Act. (See Subsection 3.04, Notice Regarding Commission Meetings.) A final agenda will be prepared and posted adjacent to the front door of the Bay Area Metro Center in accordance with the Brown Act. Copies of the final agenda will be available at the meeting.

If, in the Chair's judgment, it is necessary to maintain the orderly flow of business, public comment may be restricted by any one or a combination of the following procedures:

1. limiting the time each speaker may testify per agenda item. The limit may not be less than one (1) minute for each speaker, and may range, at the discretion of the Chair, up to three (3) minutes per speaker.
2. requiring a speaker who plans to speak on more than one agenda item to combine his or her testimony on all agenda items to one appearance. The limit for a combined appearance may not be less than three (3) minutes per speaker, and may range, at the discretion of the Chair, up to seven (7) minutes per speaker.
3. establishing the maximum amount of time available during the meeting for public comment so as to permit the meeting agenda to be completed before the loss of a quorum; provided, however, that each speaker be permitted to speak at least one (1) minute.

4. establishing a single period of time during a meeting to take all public testimony before proceeding with the agenda, when there are multiple requests to speak on multiple items on the agenda.

3.10. Resolutions. Resolutions may be considered by the Commission at any regular or special Commission meetings. All resolutions shall be in writing.

A summary explanation of the purpose and content of each resolution shall be prepared and attached to the proposed resolution, but shall not be considered part of such resolution. The original of a resolution adopted by the Commission is the one signed by the Chair and shall be the official text of that resolution.

3.11. Regional Transportation Plan Revisions. Revisions of the Commission's adopted Regional Transportation Plan (RTP) are prepared as the need arises. Except for revisions approved by the Commission under emergency procedures, revisions to the RTP are considered by the Commission for adoption every four years. Review of proposed Plan revisions is assigned to a standing committee of the Commission, which shall make recommendations to the full Commission for Plan revision. Notice of availability of the text of proposed revisions of the RTP shall be sent to organizations and concerned citizens on the current Commission mailing list. Not earlier than twenty (20) days after this distribution of the proposed revisions, and at a time convenient to the public, no less than (2) public hearings shall be held in the region to receive comments, suggestions, and reactions to the proposed revisions. Additional hearings may be scheduled if necessary to allow opportunity for public comment in parts of the region significantly affected by proposed revisions. These public hearings may be conducted by less than a quorum of

the Commission. A transcript or summary of the public hearings shall be provided to all commissioners prior to their acting on the Plan revisions. Notice of the public hearings shall appear in major newspapers of the region and other media as appropriate at least thirty (30) days prior to the scheduled hearings.

3.16 Meeting Conduct. In the event that any public meeting conducted by MTC is willfully interrupted or disrupted by a person or by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible, the Chair may order the removal of those individuals who are willfully disrupting the meeting. Such individuals may be subject to arrest. If order cannot be restored by such removal, the members of the Commission may direct that the meeting room be cleared (except for representatives of the press or other news media not participating in the disturbance), and the session may continue on matters appearing on the agenda.

IV. COMMISSION COMMITTEES

4.01. Types. Commission committees are designated as standing committees, special committees, or advisory committees.

4.02. Policy. It is the general policy of the Commission to receive comments from the public on specific items at committee meetings. Summaries of these comments shall be included in the committee minutes and forwarded to all commissioners.

4.03. Standing Committees. Each standing committee is charged with subject matter responsibility over specific element(s) of the Commission's overall mission and/or organizational functions. Standing committees shall be composed solely of commissioners. Non-voting commissioners may be appointed to standing committees. Notwithstanding that there may be a quorum of the Commission (10 or more commissioners commencing January 1, 2013) in attendance at a standing committee meeting, no standing committee may act for the full Commission unless the meeting is noticed, in accordance with the Brown Act, as a Commission meeting. Each standing committee shall be responsible for reviewing comments of appropriate MTC advisory committees and such comments shall accompany any standing committee recommendations to the Commission.

4.04. Special Committees. The Commission may establish special committees to supervise the development of a specific task or project. Membership of special committees is not limited to commissioners. Composition of special committees will depend upon the task to be performed and may involve the participation of private citizens or representatives of other public agencies.

4.05. Advisory Committees. Advisory committees are discussed in Section 4.14C.

4.06. Appointments to Committees.

A. Manner of Appointment. The Chair of the Commission, subject to the approval of the Commission, shall appoint members of standing committees and special committees to the extent that special committee appointments are the responsibility of MTC. The Commission Chair

shall designate the Chair and Vice-Chair of the standing committee, subject to approval of the Commission. Designation by the MTC Chair of special committee chairs and vice-chairs is subject to the approval of the Commission to the extent that these appointments are the responsibility of MTC. Appointments to advisory committees shall be made by the Commission in accordance with the Commission resolution establishing the particular advisory committee. In the event the Chair and Vice-Chair of a standing committee are not present at a standing committee meeting, the committee members present shall select a Chair Pro Tem for that meeting from among themselves.

B. Term. Subject to Section 2.04, appointments to standing committees shall be for the term of the Commission Chair. Appointments of commissioners to special committees shall be for the term of the Commission Chair. Other appointments to special committees shall be for a term dependent upon the function of the special committee as set forth in the resolution which governs the special committee. Appointments to advisory committees are for a term dependent upon the function of the advisory committee as set forth in the resolution establishing the particular advisory committee.

4.07. Quorum. The quorum for committees established by the Commission shall be a majority of the committee's non-ex-officio voting membership. Except as otherwise provided in Sections 2.04 and 2.05, if necessary to establish a quorum of a committee at a meeting, the Chair and Vice-Chair of the Commission, as ex-officio members of the committee, shall become voting members for that meeting. Unless otherwise approved by the Commission and except as otherwise provided in Sections 2.04 and 2.05, MTC standing committees shall have eight (8) voting members, as approved by the Commission, plus the MTC Chair and Vice-Chair as ex-officio, voting members.

Every member of the Commission who is not a voting member of a standing committee is an ad hoc non-voting member. Although a quorum of the Commission may be in attendance at a meeting of a standing committee, the committee may take action only on those matters delegated to it. The committee may not take any action as the full Commission unless a meeting has been previously noticed as a Commission meeting.

An ad hoc non-voting committee member who is also a voting member of the Commission may be designated by the committee chairperson as a voting member at a particular committee meeting if an additional voting member is needed for a committee quorum. In the case of joint committees formed with ABAG, additional provisions contained in Appendix E shall also apply.

4.08. Open Meetings. It is recognized that "legislative body" as defined in the Brown Act does not include committees composed solely of commissioners when they number less than a quorum of the Commission or a quorum of a standing committee. It is the intention of the Commission to apply the Brown Act to include all non-ad-hoc committees created by the Commission, not just those identified as advisory commissions or committees. All meetings of non-ad-hoc committees created by the Commission, with the exception of closed sessions permitted by the Brown Act, shall be open meetings properly announced in accordance with the provisions of the Brown Act.

4.09. Notice of Meetings. Notice of regular committee meetings shall be given consistent with applicable provisions of the Brown Act and posted adjacent to the front door of the Bay Area Metro Center not less than 72 hours, preceding the date of the meeting. If a special meeting is called on short notice, then notice shall comply with the requirements of Subsection 3.04 B of these procedures. The notice shall announce the date, time, and location of the meeting together with an agenda. This notice shall be sent to all commissioners and to media representatives, concerned citizens, and organizations who have filed a request for receipt of notice of committee meetings and posted in the MTC library. Special meetings of committees shall comply with the minimum notice provisions of the Brown Act. Notices of postponed or canceled committee meetings shall be posted adjacent to the front door of the Bay Area Metro Center not less than 72 hours prior to the regular date of the meeting and shall state the date, time, and location of the next committee meeting if possible. Notices of meetings held earlier than the regular meeting date shall be sent out and posted adjacent to the front door of the Bay Area Metro Center as soon as possible.

4.10. [Reserved]

4.11. Recording of Meetings. Standing and special committee meetings, if possible, shall be recorded electronically and follow the procedures as stated in Subsection 3.13 of this document.

4.12. Minutes of Committee Meetings. Minutes of all committee meetings shall be kept and made available to the public. Minutes shall include a record of attendance, a summary of motions, resolutions, consensus items, discussion on motions receiving a split vote and/or resulting in a direction to staff or a Commission committee, other business, and public comment.

4.13. Reimbursement and Travel Expenses. Commissioners who are members of standing or special committees shall be entitled to receive in lieu reimbursement for attendance at such committee meetings in accordance with Government Code Section 66504.1. Commissioners serving on standing and/or special committees shall also be entitled to receive necessary travel expenses in accordance with the Commission's current resolution in this regard. (See Appendix B.) Members of special committees appointed by the Commission and members of advisory committees appointed through Commission resolutions shall be reimbursed for their necessary travel expenses in accordance with the Commission's current procedures regarding this subject. (See Appendix D.)

Commissioners appointed by the Chair or the full Commission to represent MTC on committees other than those created by MTC shall be entitled to receive the MTC per diem and necessary travel expenses for attendance at such committee meetings. If the procedures of such committees require or permit the appointment of an alternate representative, MTC alternates to such committees may not claim per diem or travel expenses for any meeting at which the MTC commissioner is also present and claiming per diem.
