Programming and Allocations Committee**

Agenda Item 2c - 21-1294

MTC Resolution Nos. 4465, Revised; and 4464, Revised

Subject:

Allocation of \$69 million in FY2021-22 Transportation Development Act (TDA) and State Transit Assistance (STA) funds to SamTrans, Vacaville, and VTA.

Background:

This month's proposed actions continue the annual allocation process of these funds for FY2021-22. SamTrans, and Vacaville, and VTA are requesting TDA or STA allocations this month that exceed the \$1 million delegated authority limit. Allocation requests that are less than \$1 million are approved separately through the Executive Director's Delegated Authority process. Santa Clara Valley Transportation Authority (VTA)'s first allocation was approved in June 2021; this current requesting is for STA fundings that became available as a result of the update of the FY 2021-22 Fund Estimate in October, since their claim was approved in June 2021.

These funds comprise an important source of ongoing funding for transit agencies.

The proposed allocation amounts are based on the programming levels identified in the FY 2021-22 Fund Estimate (MTC Resolution 4450) and the RM2 Operating Program (MTC Resolution 4463). The proposed allocations are summarized in the following table:

Claim Amounts by Operator (amounts in millions)

Claimant	TDA (Res 4465)	STA (Res. 4466)	Total Amount
SamTrans	\$36.9	\$22.5	\$59.4
Vacaville	\$2.4	-	\$2.4
VTA	\$.4	\$6.5	\$6.9
Total	\$39.7	\$29.0	\$68.7

Information regarding the FY 2021-22 operating budget and transit services for SamTrans and Vacaville is provided in Attachment A. Vacaville is piloting on-demand service and SamTrans is conducting outreach on a refreshed bus network with the goal of implementing changes next fall.

Issues:

None identified.

Recommendations:

Refer MTC Resolution Nos. 4465, Revised; and 4466, Revised to the Commission for approval.

Attachment A – Transit Operator Budget Summary

SamTrans

Proposed Operating Budget	\$196.4 million
Change in Budget compared to FY2019-20 (excluding Caltrain pass through)	2.2%
Current Average Ridership Decrease (Aug 2021 to Feb 2020)	-56.5%
Total Proposed TDA & STA FY2021-22 Allocation ¹	\$51.1 million plus \$10 million pass through to Caltrain
Proportion of Operating Budget Funded with Allocations	15%

Budget Highlights

- Wage and benefit cost increases are partially offset by a reduction in purchased transportation cost due to expected continuing lower ridership on paratransit.
- SamTrans adopted a reserve policy and is funding a three-month operating reserve and sales tax stabilization reserve.
- Due to the passage of Measure RR, a sales tax measure for Caltrain, the three member agencies—SFMTA, SamTrans, and VTA—will not provide support to Caltrain in FY2021-22.

Operations Summary

- Service is currently at 88 percent of pre-COVID levels. Additional service restoration is dependent on hiring additional drivers.
- SamTrans is currently redesigning their entire bus system and starting their third round of outreach. A preferred network has been identified and is expected to be approved early next year and implemented in August 2022.

¹ The allocation request includes funds that will be allocated through Executive Director's Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Allocations made by Delegated Authority are reported to the Commission quarterly.

Vacaville

Proposed Operating Budget	\$2.7 million
Change in Budget compared to FY2019-20	4.9%
Current Average Ridership Decrease (Sept 2021 to Sept 2019)	-37.6%
Total Proposed TDA & STA FY2021-22 Allocation ¹	\$3.9 million
Proportion of Operating Budget Funded with Allocations	54%

Budget Highlights

- Federal funding comprises the balance of Vacaville’s operating revenue. City Coach continues to operate fare free with the use of federal relief funds.
- One million of the requested \$2.4 million capital request will be used to purchase 10 vehicles to support paratransit and on-demand service. Other capital projects include electrification and bus capital maintenance.

Operations Summary

Vacaville was in the process of assessing its transit service before the pandemic. As a result of this assessment, Vacaville is now piloting on-demand service and has reduced its fixed service routes from six to four, with two routes operating throughout the day and two other routes operating only during the morning and mid-day. Vacaville continues to assess demand and is prepared to increase service. In order to encourage transit use, City Coach continues to operate fare free through the use of federal relief funds.

¹ The allocation request includes funds that will be allocated through Executive Director’s Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Allocations made by Delegated Authority are reported to the Commission quarterly.
