Subject:

Draft 2017 Transportation Improvement Program (TIP) and Draft Air Quality Conformity Analysis for Plan Bay Area and the Draft 2017 TIP.

The federally required TIP is the region's transportation funding document containing surface transportation projects based on anticipated funding over the next four years that will receive federal funds or are subject to a federally required action or are regionally significant. Federal air quality regulations require an air quality conformity determination on the TIP. The public hearing provides additional opportunity for the public to comment on these documents. The written comment period ends at 5:00 p.m. Thursday, July 28, 2016. The draft 2017 TIP and draft Air Quality Conformity Analysis are available at the Bay Area Metro Center and on the internet at:
