Subject:

Draft 2025 Transportation Improvement Program (TIP) and Draft Transportation-Air Quality Conformity Analysis for the 2025 TIP.

The federally required TIP is the region's transportation funding document containing surface transportation projects and anticipated funding over the next four years. The projects are expected to receive federal funds, be subject to a federally required action, or are regionally significant. Federal air quality regulations require an air quality conformity determination on the TIP. The draft TIP and draft Air Quality Conformity Analysis documents were released for public review and comment beginning on June 27, 2024. The written comment period ends at 5:00 p.m. July 26, 2024.
