Title: MTC Resolution No. 4209 - Mega-Region Planning and Collaboration.

Given that many transportation, labor, housing, land use, economic and other system boundaries extend beyond the nine-county Bay Area, staff recommends establishing a Mega-Region Working Group to include MTC, San Joaquin Council of Governments, and the Sacramento Council of Governments. The Mega-Regional Working Group would include two to four Board members and senior staff from each MPO and meet at least three times each year to identify issues of common interest and recommend joint activities for consideration by the three governing boards.
