Subject:

SB 50 (Wiener): Equitable Communities Incentives - Upzoning Near Transit & Jobs-Rich Areas & By Right Allowance for Small Residential Projects in Specified Areas

SB 50 would allow varying degrees of higher-density multifamily housing to be built within ½-mile of transit stations, ¼-mile of high-quality bus corridors and in areas designated as “jobs-rich” by the Department of Housing and Community Development. The bill also provides for smaller, by-right residential development on vacant parcels in urbanized areas.
