Learning About Government

Self-Assessments show significant gains in knowledge of public agencies, equity, and how to make public comments

Learning About Equity

Self-Assessments show significant gains in knowledge of public agencies, equity, and how to make public comments

Options & Next Steps for FY 2023-2024

High School

- More in-person sessions (bookended at beginning and end of program)
- Focus on Equity Priority communities and partnerships with local high schools

College

- Research and discuss potential for a year-round college intern program
- Look at Apprenticeship programs that might offer a different pathway for young adults

Overall

- Build partnership with the regional and local agencies
- Expand access and participation for summer 2024.
