

**Bay Area Toll Authority  
Oversight Committee**

**June 10, 2026**

**Agenda Item 5f-26-0722**

**Purchase Order Amendment– FasTrak® Toll Tags: Star Systems America, LLC  
(\$13,600,000)**

---

**Subject:**

A request to issue a purchase order amendment for Fiscal Year (FY) 2026-2027 and 2027-2028 in an amount not to exceed \$13,600,000 to Star Systems America, LLC to provide 2,760,000 interior switchable FasTrak® 6C toll tags.

**Background:**

In June 2023 and January 2025, following a competitive procurement, this Committee approved purchase orders to Star Systems America, LLC to provide interior non-retail and retail 6C FasTrak® toll tags. Following an urgent business need, this Committee approved a purchase order amendment to Star Systems America, LLC in October 2025 to provide interior non-retail 6C FasTrak® toll tags. Inventory from these purchase orders is expected to last through September 2026.

While FasTrak transponders were being utilized from the purchase order amendment, BATA staff released a tag procurement in December 2025. This procurement, however, was cancelled in order to review issues related to the tag certification process and ensure compliance with regulations.

To maintain a continuous supply of toll tags, staff seek to amend the existing purchase order on a sole source basis. This amendment would supply 2,760,000 interior 6C FasTrak toll tags (2,650,000 interior non-retail and 110,000 interior retail). This sole source purchase order would provide the supply needed to maintain program operations, pending the development of an updated tag procurement.

Star Systems America, LLC is not a small business and currently has no subcontractors.

**Issues:**

None identified.

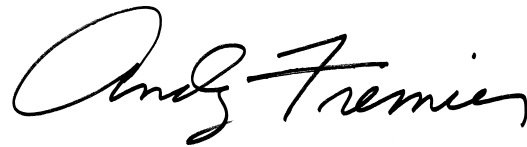

**Recommendations:**

Staff recommend that the Committee authorize the Executive Director or designee to issue a purchase order amendment to provide non-retail and retail interior FasTrak® toll tags in an

amount not to exceed \$13,600,000 to Star Systems America, LLC, subject to approval of the FY 2026-2027 and FY 2027-2028 BATA operating budget.
