Agenda Item 3a

Defer Election of Chair and Vice Chair

Subject:

Consider deferring the RNM Council Chair and Vice Chair elections to February 2026.

Background:

The RNM Council Charter (MTC Resolution No. 4622) defines the mission, roles, responsibilities, procedures, appointment process, and membership criteria for the RNM Council. It requires the election of a Chair and Vice Chair every two years in December, with a specified nomination and selection process. The current Chair, Robert Powers (Bay Area Rapid Transit District), and Vice Chair, April Chan (San Mateo County Transit District), were elected in November 2023 and have completed one two-year term. The RNM Council has 11 members.

The Clipper Executive Board (CEB), which has nine members, meets on the same day as the RNM Council but at a different time. The CEB Chair and Vice Chair elections are scheduled for February 2026. Aligning the RNM Council and CEB election timelines would streamline coordination between the two bodies. Therefore, staff recommend deferring the RNM Council Chair and Vice Chair elections to February 2026 to synchronize with the CEB process.
