Project Funding Notes

1. The Decoto Road Complete Streets project is adjacent to the I-880/Decoto Interchange Modernization project. Funding for this corridor is prioritized under both Alameda County (\$11.2 million) and Competitive Funding (\$7 million) for a total of \$18.2 million. Both projects consist of continuous active transportation and bus priority improvements. The intent of funding from both Alameda and Competitive categories is to prioritize the Decoto Road Complete Streets project and pursue a full funding plan that would deliver both active transportation and transit priority elements for that project. However, if alternate funding for the Decoto Road Complete Streets project is found, RM3 allocations may be recommended for the I-880/ Decoto Interchange Modernization project so that the continuous active transportation and bus priority improvements may be made throughout this corridor.
2. The Quarry Lakes Parkway project is prioritized under both Alameda County (\$18.3 million) and BATA Funding (\$6.7 million) for a total of \$25 million.
3. The US 101/SR 84 Interchange Improvement project is prioritized under San Mateo County (\$27.5 million), BATA (\$10 million), and Competitive (\$10.5 million) for a total of \$48 million.
