

**Metropolitan Transportation Commission
Programming and Allocations Committee**

March 12, 2025

Agenda Item 2f-25-0361

MTC Resolution Nos. 4651, Revised and 4652, Revised

Subject:

The proposed action allocates \$95.7 million in FY2024-25 Transportation Development Act (TDA) and State Transit Assistance (STA) funds to three transit operators to support transit operations and capital projects in the region.

Background:

This month's proposed actions continue the annual allocation process of these funds for FY2024-25. Three entities are requesting TDA and STA allocations this month that exceed the \$1 million Delegated Authority limit. Allocation requests that are less than \$1 million are approved separately through the Executive Director's Delegated Authority process. These funds comprise a significant share of the revenue for agencies' operating budgets.

The proposed allocation amounts are based on the programming levels identified in the FY 2024-25 Fund Estimate (MTC Resolution 4629, Revised). The proposed allocations are summarized in the following table

Allocation Amounts by Entity¹ (amounts in millions)

Entity	TDA (Res. 4651)	STA (Res. 4652)	Grand Total
San Mateo County Transit (SamTrans)	\$60.4	\$26.4	\$86.8
Sonoma Marin Area Rail Transit (SMART)		\$2.5	\$2.5
Union City Transit	\$6.3		\$6.3
Total	\$66.7	\$29.0	\$95.7

Note that amounts may not sum due to rounding

Information regarding the FY 2024-25 operating budgets and current and future operations for SamTrans, SMART, and Union City Transit is provided in Attachment A.

¹ Includes all allocations to be approved in the resolutions listed above, the details of which are provided in Attachment A, including allocations for transit capital or planning and administration.
