

Metropolitan Transportation Commission and Association of Bay Area Governments
Joint MTC ABAG Legislation Committee

March 14, 2025

Agenda Item 3a

Senate Bill 63 (Wiener/Arreguín): Transportation Revenue Measure Enabling Legislation

Subject:

Status update on Senate Bill (SB) 63 (Wiener/Arreguín), the regional transportation revenue measure authorizing legislation.

Background:

As a reminder, the Commission last month adopted principles to guide MTC advocacy on SB 63. Since then, Commission leadership has scheduled a meeting with the bill authors (Senator Wiener and Senator Arreguín) and staff have circulated the principles and polling results with the Bay Area legislative delegation. At the time this memo was finalized, substantive amendments to the bill had not yet been made but were anticipated to be in print close to the deadline of March 26. Key dates relevant to MTC's advocacy on SB 63 include:

- March 18-19 – MTC Sacramento legislative visits
- May 9 – deadline for Senate Transportation Committee to hear the bill
- June 6 – deadline for bill to pass the Senate floor
- July 18 – deadline for any Assembly policy committee to hear the bill
- September 2-12 – floor session only
- September 5 – last day to amend bill on the Floor
- September 12 – last day for each house to pass bills

Given staff does not anticipate the bill being amended by the time this Committee meets, staff will provide a verbal status update and plan on bringing a recommendation for action on the legislation directly to the Commission's March 26, 2025 meeting.
