ABSTRACT

Resolution No. 4650, Revised

This resolution authorizes project selection and programming of Regional Early Action Planning Grant 2 (REAP 2) proceeds issued through a formula allocation to MTC by the California Department of Housing and Community Development (HCD). By Resolution No. 4548, dated November 16, 2022, MTC authorized the request to HCD for its allocation of funds in an amount not to exceed \$102,842,103.03, which includes the program expenditure plan specified in Attachment A to this resolution.

This resolution includes the following attachment:

Attachment A – REAP 2 Expenditure Plan and Project List

This resolution was revised by Commission Action on July 24, 2024 to update Attachment A to program \$1 million to MTC for Community Power Building and Engagement (CPBE) technical assistance within the Community Action Resource and Empowerment (CARE) program and \$200,000 to MTC for legal services to support Regional Housing Technical Assistance (RHTA) activities; and to reflect approved programming actions of \$28 million awarded by BAHFA for Priority Sites Predevelopment Pilot, \$1 million awarded by ABAG for subregional Planning Collaboratives, and \$250,000 awarded by MTC for Accessory Dwelling Unit (ADU) technical assistance.

This resolution was revised by Commission Action on September 25, 2024 to revise Attachment A to reduce the overall program budget by \$6,049,535 to reflect a reduced State grant award.

This resolution was revised by Commission Action on November 20, 2024 to update Attachment A to deprogram \$3,480,097 from ABAG's Regional Housing Technical Assistance (RHTA) program and \$4,675,060 MTC's Participatory Budgeting Project Implementation, redirect \$6,399,102 of those deprogrammed balances to various existing projects, and program the remaining \$1,756,056 to BAHFA for REAP 2 Program Implementation. Attachment A was also

revised to reprogram \$1,250,000 in Priority Sites Technical Assistance funds between various projects as part of a fund source change, program \$1,000,000 to BAHFA's Doorway Housing Portal, and program \$3,288,020 within MTC's Regional Housing Technical Assistance (RHTA) program for various projects, leaving a \$1,135,020 unprogrammed balance in MTC's RHTA program.

Further discussion of the REAP 2 project selection and programming is contained in a memorandum to the Programming and Allocations Committee dated May 8, 2024, July 10, 2024, September 11, 2024, and November 13, 2024.
