Policy details from the Compact were refined based on additional feedback from MTC-ABAG, and during the legislative process in Sacramento

Ongoing Implementation

(2020 – Present)

BAHFA's enabling legislation has been amended several times

Potential revenue measures must operate within the statutory framework

San Francisco Bay Area Regional Housing Finance Act* Created BAHFA as a Key Part of the Solutions

Legislative Mandate: Address systemic challenges in affordable housing and housing stability across the 3Ps – **Production, Preservation, and Protections**

Principal Duties:

- Raise revenue at scale
- Collaborate across jurisdictions
- Provide support and technical assistance to local governments

Governance: The **BAHFA Board** (comprised of same members as MTC) and **ABAG Executive Board** have statutorily defined roles. An **Advisory Committee** with expertise across the 3Ps provides guidance & recommendations.

Key Features of BAHFA's Enabling Legislation

- Defines types of revenue that can be raised (*bonds, taxes, fees*)
- Sets regional and local distribution rules (*“return-to-source”*)
- Defines eligible expenses & sets rules for expenditure planning (*“3 Ps”*)
- Requires formal approval from both ABAG and BAHFA for ballot measures (*“double-green-light”*)

KEY TAKEAWAY: *BAHFA must function within the limits of its enabling legislation*
