Outcome: ballot measure

Timing: Fall 2027-Nov 2028

Key Decision Points

The phased approach has at least four distinct yet interrelated decision points that will create “on ramps” for a growing set of supporters. Alternatively, these could serve as “off ramps” that enable a pivot to more incremental near-term goals.

- 1. Regional Consensus (Conclusion of Phase 1):** Is there sufficient stakeholder agreement on a policy framework?
- 2. Agency Alignment (Transition from Phase 1 to Phase 2):** are BAHFA & ABAG willing to sponsor legislation that implements the policy framework?
- 3. Sacramento Support (Phase 2):** Is there sufficient support among the Legislature and Governor to approve proposed legislation?
- 4. Public Opinion (Phase 3):** Does public opinion research indicate an appetite among voters for the policy options in BAHFA’s amended statute?

Phase 1: Stakeholder Engagement

(March – Late 2026)

Goal: Build broad support for a policy framework to inform legislative amendments to BAHFA's enabling statute

Setting a big table

- Hybrid Structure
 - BAHFA-ABAG share responsibility with external partners to rebuild trust and facilitate shared ownership
- Develop shared principles to ensure alignment with BAHFA's interests
- Address unresolved policy issues
- Multiple touchpoints with BAHFA and ABAG Committees at key milestones
- Must balance inclusivity with capacity limitations

BAHFA and ABAG Roles in Phase 1

- **Formal Committee Participation:** BAHFA Oversight, ABAG Housing and BAHFA Advisory Committees to serve as lead policymaking bodies for the agencies during policy development.
- **Local Government Engagement:** BAHFA and ABAG to lead engagement with local governments, including presentations at Mayors' Conferences in each county.
- **Establish Guiding Principles:** To clarify expectations with external stakeholders about BAHFA and ABAG's institutional interests, and also to serve as criteria to evaluate the policy framework at the conclusion of Phase 1.
- **Participate in External Stakeholder Process:** Calibrated involvement that strikes a balance between active participation and allowing space for other voices to join the dialogue.

External Stakeholder Engagement Structure

- **Co-Chairs:** Provide **strategic vision, leadership, and credibility**. Help navigate policy differences and decisions while steering towards a viable path forward.
- **Regional Housing Stakeholder Committee:** Representative multi-stakeholder body that **builds consensus on key policy issues** and eventually produces a policy framework. Participants expected to liaise with their constituencies as part of a distributed engagement model.
- **Coordination Group:** Staffing and consultant **support for infrastructure of the process**, including meeting facilitation, project management, and research.

Details of the structure, including membership of each element, naming conventions, and whether/how to incorporate additional components, will be finalized by the Co-Chairs.

Key Policy Issues

BAHFA's stakeholder engagement efforts during the strategic planning process identified at least four unresolved policy issues that could require amendments to BAHFA's enabling statute:

- **Revenue Mechanism(s)**
- **Labor Standards**
- **Revenue Distribution**
- **Eligible Uses**
- *Others TBD*

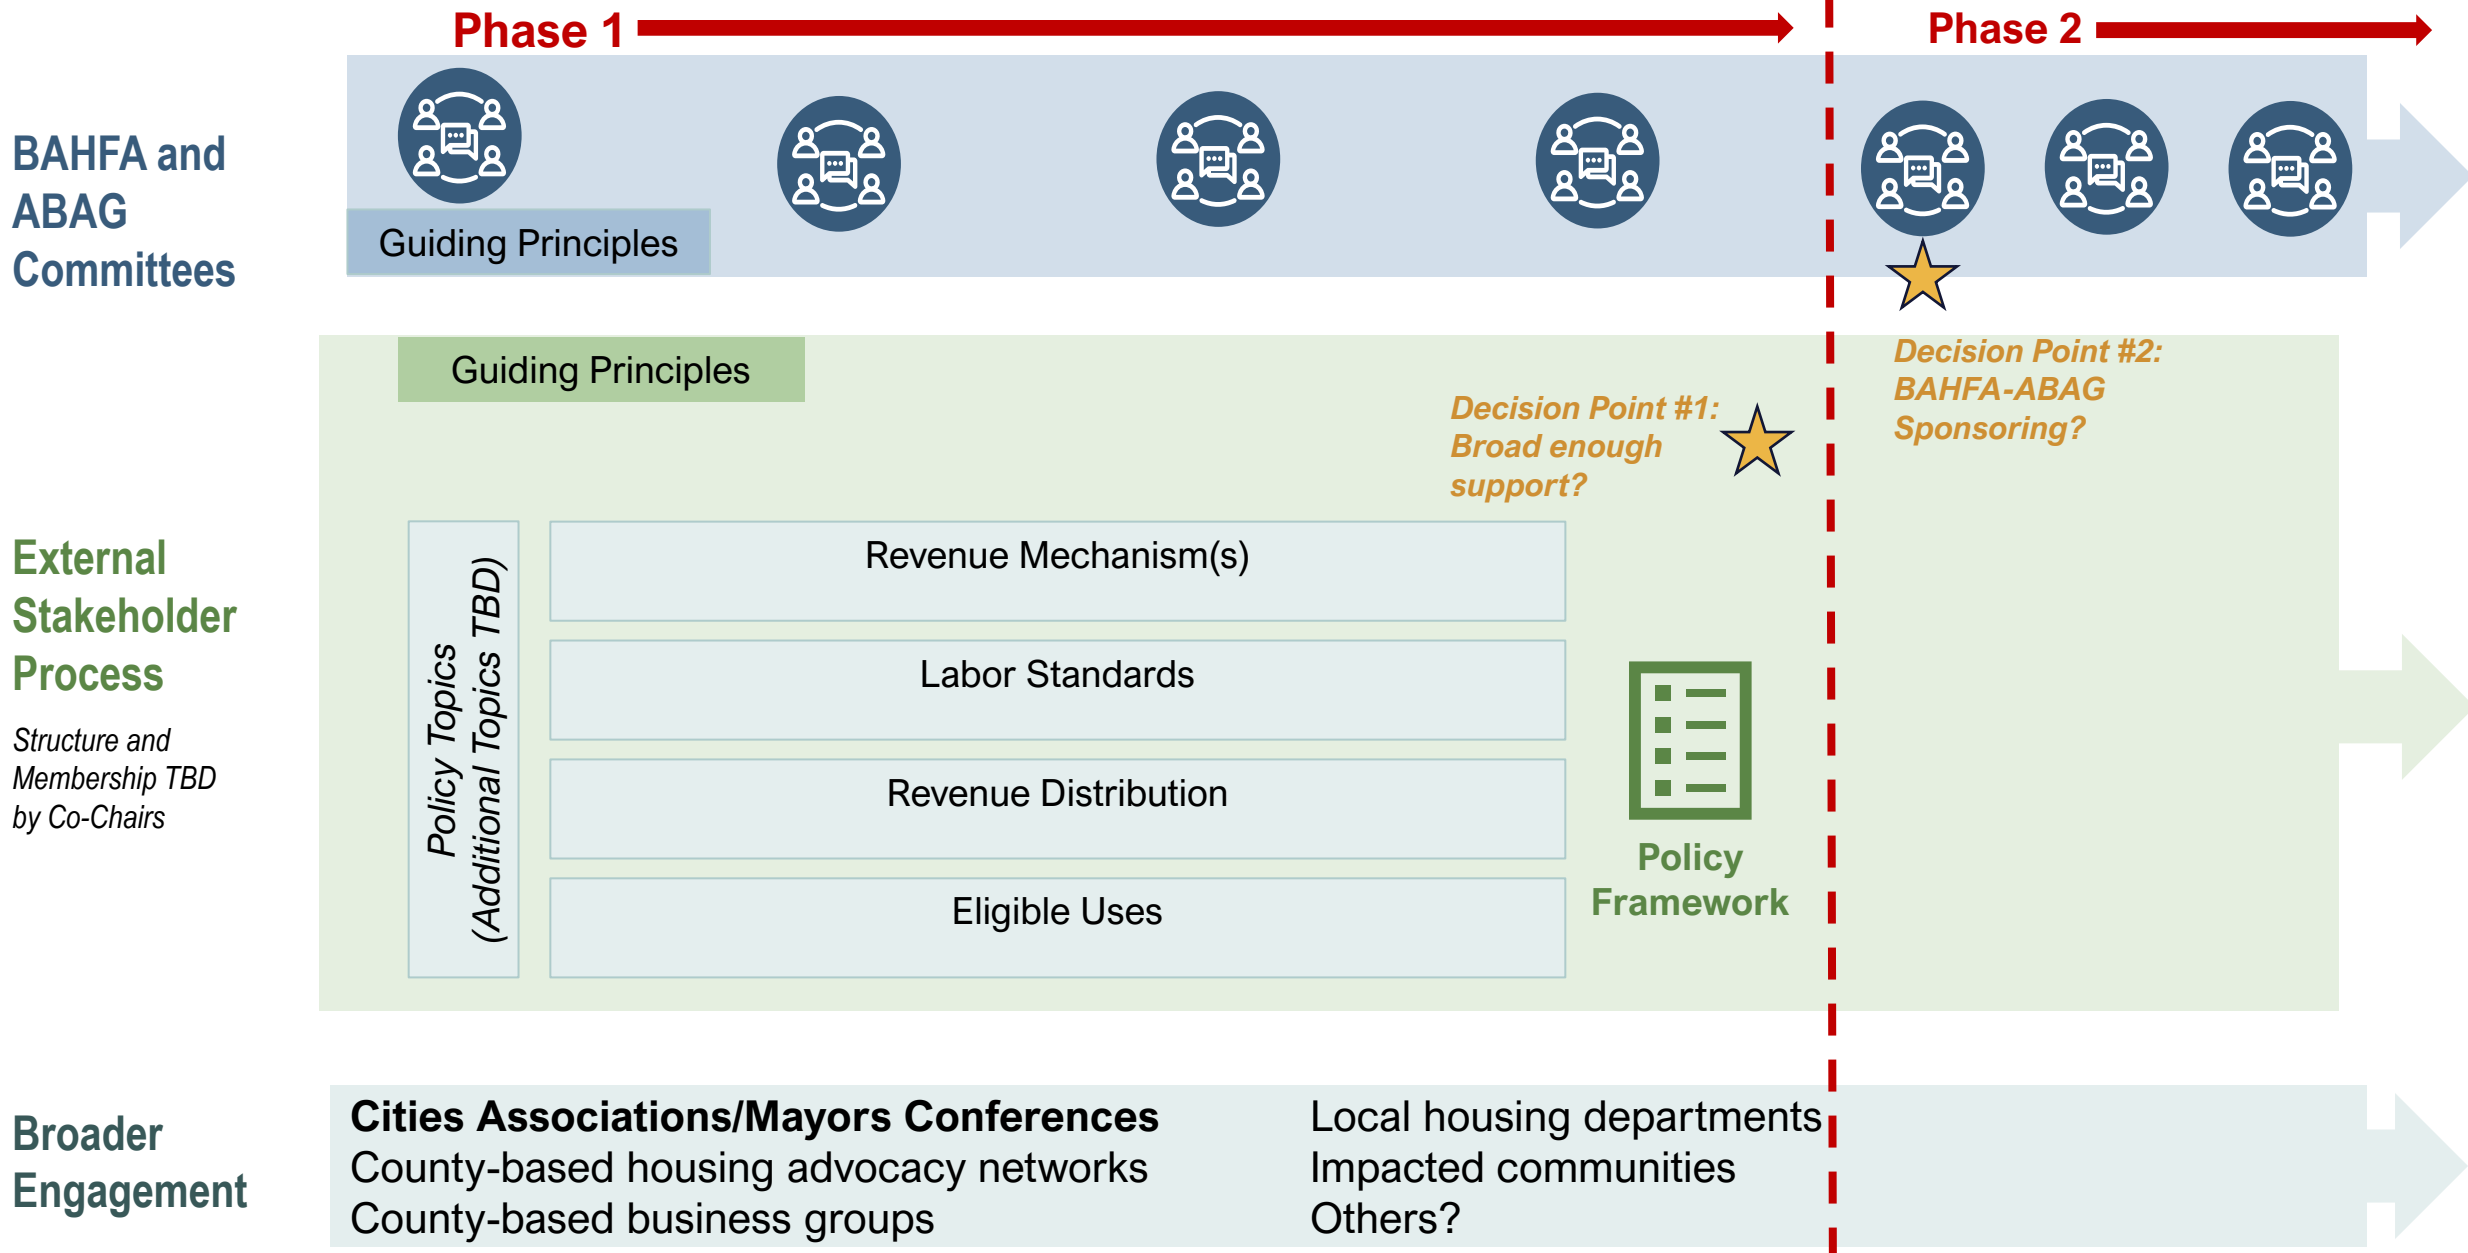

Whether all policy issues warrant amendments is TBD; could range from significant to relatively narrow set of changes.

Phase 1 Final Product: Policy Framework

- Proposed policy framework including recommendations and/or options
- Document levels of support from participants
- May include: summary of research, feedback from key constituencies, trade off analysis, application of guiding principles, etc.
- Enable efficient transition to Phase 2 when BAHFA & ABAG drive legislative advocacy forward

Phase 1 Schematic Timeline

Draft Guiding Principles

Be Passable

Advance Fairness

Achieve Scale

Deliver on the 3Ps

Innovate to Add Value and Meet Needs

Be Administrable

Committee Discussion & Feedback

- Is there support by Committee members to accompany staff for presentations at their counties' Mayors' Conferences?
- Who are key stakeholders from Committee members' constituencies that should be added to a distribution list to get plugged into the process?
- Do the draft guiding principles capture the parameters from BAHFA and ABAG's perspectives?
 - Do any of the draft principles need adjustment?
 - Is anything missing?
