Welfare Tax Exemption ~~Preservation~~-Term Sheet
Multifamily Rental Properties

Program Description	BAHFA assists mission-driven developers to <u>produce and</u> preserve <u>affordable and existing</u>-mixed-income, multifamily housing by providing the public sector regulation necessary to achieve the "welfare exemption" defined in California Revenue and Taxation Code (R&T) Section 214(g). BAHFA assistance includes: 1) A grant of the minimum amount the California Board of Equalization (BOE) will accept to meet the local financing provision of R&T Section 214(g)(A) (currently \$5,000) 2) A recorded deed restriction on the property that continuously limits occupancy of designated units to Lower Income households (see R&T Section 214(g)(2)(A)(ii). The Program's goal is to prevent displacement of low-income households, to create a permanently affordable housing stock that provides safe, decent, stable residences for working households, and to promote neighborhood vitality.
Eligible Applicants	Affordable housing development teams that: 1) Meet the ownership requirements of R&T Section 214(g)(1); and 2) Have a demonstrated track record of successfully developing, owning and operating comparable projects.
Eligible Projects	Occupied, uUnrestricted <u>multi-family residential</u> buildings with 4 or more legal dwelling units. 1) Mixed use buildings are eligible so long as the majority of the building square footage is used for residential uses. <u>2)1)</u> Applicants must demonstrate that the proposed welfare-exempt rent restrictions provide a discount to market-rate rents of at least 10% or, in the alternative and subject to the approval of BAHFA, other economic conditions that justify imposition of the welfare exemption.

Term and Regulatory Restrictions	<u>Regulatory Term</u>: 55 years. BAHFA will consider shorter regulatory periods if the Applicant demonstrates that a shorter term remains compatible with 1) permanent affordability and 2) a prohibition on displacement. For example, Applicants may plan to refinance the property with tax credit equity or other public sources that would provide new regulatory controls that supersede BAHFA’s restrictions. <u>Lien Priority</u>: BAHFA requires first lien priority for its occupancy deed restriction. In its sole discretion, BAHFA will consider subordination of its restriction if Applicant demonstrates the necessity of subordination to secure financing and if such subordination is consistent with the goal of creating permanent affordable housing. <u>Displacement</u>: Notwithstanding the imposition of income restrictions, <u>in the case program is applied to an existing building</u>, no existing resident in the Project shall be displaced because of the preservation action or by Applicant’s imposition of any new, discretionary “house rules”. 1) Eligibility for the welfare exemption may be full or partial at <u>recordation of BAHFA’s Deed Restriction.acquisition, In the case of a partial welfare exemption, with</u> additional units <u>converting may convert</u> to welfare exempt over time through unit turnover <u>or income certification of existing residents</u>. 2) For units subject to local “just cause” eviction ordinances, Applicants shall continue to comply with the just cause ordinance rules after acquisition. 3) All Applicants must comply with the Tenant Protection Act of 2019, Civil Code Sec. 1946.2 et seq.
