Agenda Item 7.c. 2

ABAG-MTC POWER

Subject:

Overview of ABAG POWER Operations and Natural Gas Market for Fiscal Year 2025-26

Background:

The Association of Bay Area Governments Publicly Owned Energy Resources (ABAG POWER) operates a natural gas aggregation program that serves 52 public agencies. Staff manages the purchase of natural gas and arranges for its delivery to Pacific Gas and Electric Company (PG&E) distribution pipelines, from which it is then delivered to participating facilities.

Staff will provide an overview of the POWER program, including FY 2024–25 highlights, program services, an update on the natural gas market, the strategic implementation roadmap, and FY 2025–26 priorities.

Issues:

None.

Recommended Action:

None.
