

Association of Bay Area Governments

Executive Board

September 18, 2025

Agenda Item 6.b

Priority Conservation Areas

Subject:

Adoption of ABAG Resolution No. 11-2025 - Adoption of Revised and New Priority Conservation Areas: Geography Designation - Approval of proposed amendments to 173 existing Priority Conservation Area (PCAs) and approval of 69 proposed PCA nominations.

Background:

On September 12, 2025, the ABAG Administrative Committee, meeting jointly with the MTC Planning Committee, will receive a report on the adoption of revised and new Priority Conservation Areas Geography Designation and a request for approval of proposed amendments to 173 existing Priority Conservation Area (PCAs) and for approval of 69 proposed PCA nominations.

At its meeting on September 18, 2025, the ABAG Executive Board will receive the ABAG Administrative Committee's recommendation of adoption of ABAG Resolution No. 11-2025.

The ABAG Administrative Committee summary sheet is attached.

Issues:

None.

Recommended Action:

The Executive Board is requested to adopt ABAG Resolution No. 11-2025 - Adoption of Revised and New Priority Conservation Areas: Geography Designation - Approval of proposed amendments to 173 existing Priority Conservation Area (PCAs) and approval of 69 proposed PCA nominations.
