

Metropolitan Transportation Commission Programming and Allocations Committee

December 10, 2025

Agenda Item 2b-25-1489

MTC Resolution No. 4710, Revised

Subject:

The proposed action allocates \$3.1 million in FY2025-26 State Transit Assistance (STA) funds to Sonoma Marin Area Rail Transit (SMART) to support transit operations and capital projects in the region.

Background:

This month's proposed actions continue the annual allocation process of these funds for FY2025-26. SMART is requesting STA allocations this month that exceed the \$1 million Delegated Authority limit. Allocation requests that are less than \$1 million are approved separately through the Executive Director's Delegated Authority process. These funds comprise a significant share of the revenue for agencies' operating budgets.

The proposed allocation amounts are based on the programming levels identified in the FY2025-26 Fund Estimate (MTC Resolution 4688, Revised). The proposed allocations are summarized in the following table:

Allocation Amounts by Entity¹

Entity	STA (Res. 4710)	Grand Total
SMART	\$3.1	\$3.1
Total	\$3.1	\$3.1

Note that amounts may not sum due to rounding

Information regarding the FY2025-26 operating budgets and current and future operations for SMART is provided in Attachment A.

Issues

None.

Recommendations:

Refer MTC Resolution No. 4710, Revised to the Commission for approval.
