Agenda Item 6e

**Contract Amendment Correction - Bay Area Regional Energy Network (BayREN) for
Shared Technical and Regulatory Support Services: The Energy Coalition (\$100,000)**

Subject:

Authorization to correct a previously approved contract amendment with The Energy Coalition in the amount of \$100,000, for a cumulative total amount not to exceed \$750,000, to provide shared technical and regulatory support services for the Bay Area Regional Energy Network (BayREN) and Tri-County Regional Energy Network (3C-REN) through December 31, 2025.

Background:

In the September 19, 2024 ABAG Executive Board meeting, BayREN brought forward a contract amendment, item 6.d., with The Energy Coalition, in an amount not to exceed \$100,000, for a cumulative total amount not to exceed \$650,000, to provide shared technical and regulatory support services for the Bay Area Regional Energy Network (BayREN) and Tri-County Regional Energy Network (3C-REN) through December 31, 2025.

There was an error in stating the cumulative total amount not to exceed was \$650,000. The item should have stated the cumulative total amount of not to exceed \$750,000. This item, if approved, corrects that error.

Issues:

None identified.

Recommendation:

The ABAG Administrative Committee, acting for the Executive Board, is requested to authorize the Executive Director of the Metropolitan Transportation Commission on behalf of the Association of Bay Area Governments and the Bay Area Regional Energy Network, to approve this contract amendment correction of \$100,000 with The Energy Coalition through December 31, 2025, in an amount not to exceed \$750,000.
