

**Metropolitan Transportation Commission  
Programming and Allocations Committee**

**May 10, 2023**

**Agenda Item 4b - 22-1759**

---

**California Transportation Commission (CTC) and State Funding Programs Update**

---

**Subject:**

Update on California Transportation Commission (CTC) and state funding programs under the CTC's purview.

**Background:**

The California Transportation Commission (CTC) is responsible for programming and allocating certain state and federal transportation funds for the planning and implementation of highway, passenger rail, non-motorized facilities, and transit improvements throughout California. Among other transportation funding programs, the CTC approves programming and allocations for the State Transportation Improvement Program (STIP); State Highway Operations and Protection Program (SHOPP); State Active Transportation Program (ATP) and various Senate Bill 1 (SB1) programs including Solutions for Congested Corridors Program (SCCP); Trade Corridor Enhancement Program (TCEP) and the Local Partnership Program (LPP). The CTC allocates funds for projects in the Transit and Intercity Rail Capital Program (TIRCP), following project selection by the California State Transportation Agency (CalSTA).

The CTC consists of eleven voting members and two non-voting ex-officio members. The San Francisco Bay Area has three (3) CTC members residing in its geographic area: Jay Bradshaw (Executive Secretary-Treasurer, Northern California Carpenters Regional Council), Darnell Grisby, and Vice-Chair Carl Guardino (Vice President of Government Affairs, Tarana Wireless).

**May CTC Meeting (May 17-18, San Francisco)**

The CTC will meet at the Bay Area Metro Center in San Francisco on May 17 and 18. Since the meeting agenda has not yet been released at the time of PAC posting, staff will provide an oral update on important topics to be considered by the CTC.

Staff expects CTC to hear important items, such as the consideration of the Bay Area Infrastructure Financing Authority's (BAIFA's) application to toll Highway 37 and funding allocations. Note that CTC held a public hearing on the proposed toll lanes on Highway 37 in Vallejo on April 24.

**Next Steps:**

The next CTC meeting is scheduled for May 17-18, 2023, to be held in San Francisco and online.

The subsequent CTC is scheduled for June 28-29, 2023, to be held in Solano County and online.

**Issues:**

None identified.

**Recommendations:**

Information. No action required.

A handwritten signature in blue ink that reads "Andrew B. Fremier". The signature is written in a cursive, flowing style.
