

Association of Bay Area Governments
ABAG Administration Committee

November 14, 2025

Agenda Item 7b

Update to the Association of Bay Area Governments (ABAG's) Conflict of Interest Code

Subject:

A request that the Committee authorize staff to circulate proposed changes to ABAG Conflict of Interest Code (COIC) for public comment, to schedule a public hearing should the request arise during the public comment period, and to submit the proposed amended COIC to the Fair Political Practices Commission for formal approval if no comments are received.

Background:

A local agency's COIC must reflect the current structure of the agency and properly identify officials and employees who should be filing Form 700, the Statement of Economic Interests. A COIC tells public officials, employees and consultants what types of financial interests they must disclose on their Form 700s. To ensure COICs remain current and accurate, each local agency is required to review its code at least every other year. In connection with the 2024 biennial review of ABAG's COIC, staff determined that the designated positions needed to be updated to reflect recent changes to the Metropolitan Transportation Commission's (MTC's) organizational structure, and the renaming and adding of positions. The same changes to staff assignments have been made in the list of designated positions in Appendix A to ABAG's COIC.

California Fair Political Practices Commission (FPPC) amendment procedures require that a written notice of intent to amend the COIC must be given 45 days prior to the time the proposed amendment is submitted to the FPPC for formal approval. A copy of that written notice is attached to this Summary Sheet. The comment period will run from November 17, 2025, through January 1, 2026.

Any interested person may request a public hearing to comment on the proposed COIC amendment, if any such request is made no later than 15 days prior to the close of the comment period, or by December 17, 2025. If no request for a hearing is received, staff would submit the proposed amended COIC to the FPPC for formal approval, and the COIC as amended would be effective 30 days after FPPC approval.

Issues:

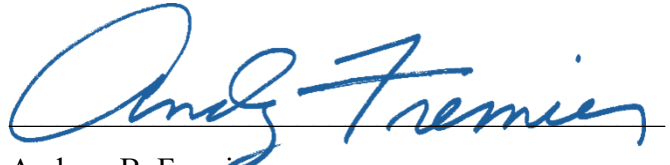

None identified.

Recommendations:

Staff recommends that the ABAG Administration Committee authorize staff to circulate the proposed changes for public comment, and to schedule a public hearing if there is a request from the public to do so; and, assuming no comments are received, to authorize staff to submit the proposed revised COIC to the Fair Political Practices Commission for formal approval.

NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE
OF THE ASSOCIATION OF BAY AREA GOVERNMENTS

NOTICE IS HEREBY GIVEN that the Association of Bay Area Governments (ABAG), pursuant to the authority vested in it by section 87306 of the Government Code, proposes an amendment to its conflict of interest code. A comment period has been established commencing on November 17, 2025 and closing on January 1, 2026. All inquiries should be directed to the contact listed below.

ABAG proposes to amend its conflict of interest code to include Metropolitan Transportation Commission (MTC) employee positions that involve the making or participation in making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code. The amendment carries out the purposes of the law and no other alternative would do so and be less burdensome to affected persons.

Changes to the conflict of interest code include: reorganization of positions listed to reflect recent changes and additions made to MTC's staff organizational chart and renaming of positions to reflect updated job titles.

The proposed amendment and explanation of the reasons can be obtained from the agency's contact.

Any interested person may submit written comments relating to the proposed amendment by submitting them no later than **5:00 p.m. on January 1, 2026**, or at the conclusion of the public hearing, if requested, whichever comes later. At this time, no public hearing is scheduled. A person may request a hearing no later than **5:00 p.m. on December 17, 2025**.

ABAG has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses, or small businesses.

Copies of the proposed amendment and explanation of the reasons for it will be made available to any interested person who contacts Frederick Castro, Clerk to the Board, ABAG, at (415) 820-7913 or fcastro@bayareametro.gov. Written comments on the amendment may be sent to Mr. Castro at fcastro@bayareametro.gov. Any inquiries concerning the proposed amendment should be directed to John Myers, MTC Associate Counsel, at (415) 778-6729 or jmyers@bayareametro.gov.

ASSOCIATION OF BAY AREA GOVERNMENTS
CONFLICT OF INTEREST DISCLOSURE DESIGNATIONS

ABAG has identified three (3) disclosure categories: (1) Category number one requires designated persons to disclose business entities in which they have an investment or business positions or which are sources of income to them if such entities are of the type which contract with ABAG to supply goods, services, materials, supplies or lease equipment; (2) Category number two requires designated persons to disclose interests in real property located in whole or in part within or not more than two miles outside the boundaries of ABAG's jurisdiction; (3) Category number three requires designated persons to disclose investments or business positions in business entities or sources of income from business entities which have filed a claim against or have a claim pending against ABAG.

The designated position list is intended to include all persons with decision-making powers or influence concerning how, where and with whom ABAG invests funds, contracts or engages in real property transactions and to disclose any bias such parties may have in making substantive decisions concerning the operations of ABAG.

Effective July 1, 2017, MTC, pursuant to the Contract for Services, provides consolidated staff to perform work for ABAG and its affiliated Local Collaboration Programs, including ABAG Publicly Owned Energy Resources and the ABAG Finance Authority for Nonprofit Corporations.

The primary decision-making positions with ABAG are the members and alternate members of the Executive Board (Board). However, under the Contract for Services, certain MTC staff may make recommendations to or bring information or proposals to the members of the Board and thus may influence the Board's decisions concerning ABAG. MTC staff serving ABAG under the Contract for Services are not employees of ABAG but are included in the list of designated positions under this Code as consultants pursuant to Government Code Section 82019, which includes consultants within the definition of "designated employee". Additionally, with the exception of consultants whose duties are limited in scope and who thus may have limited disclosure responsibilities, consultants shall be required by ABAG's Code to file Statements of Economic Interest and any supplementary information that may from time

to time be required annually and upon assuming and leaving office/job position as set forth in 2 California Code of Regulations, Section 18730(b)(5).
