Re: Acknowledging Cities of Dublin, Livermore, and Pleasanton Compliance with MTC's Transit-Oriented Communities (TOC) Policy will be a Condition for Future Awards or Allocation Requests for the Valley Link Rail Project

Dear Chair Pedroza and Commissioners,

The Cities of Dublin, Livermore, and Pleasanton along with the Tri-Valley – San Joaquin Valley Regional Rail Authority would like to thank MTC staff for recommending \$3 million from AB 1171 Bridge Toll funds to the Valley Link Rail Project.

A future stop or station of the Valley Link Rail Project is expected to be located in the Cities of Dublin, Livermore and Pleasanton. Consistent with the requirements of MTC's TOC Policy ([MTC Resolution 4530](#)), the Cities of Dublin, Livermore, and Pleasanton along with the Tri-Valley – San Joaquin Valley Regional Rail Authority acknowledge that future allocations of regional discretionary funding by MTC to the Valley Link Rail Project will be subject to the compliance of the Cities of Dublin, Livermore and Pleasanton with the TOC Policy.

Sincerely,

Linda Smith
City Manager
City of Dublin
