Agenda Item 4e-24-0373

**Bay Area Toll Authority (BATA) Resolution No. 169, Revised –  
FY 2023-24 Operating and Capital Budgets Amendment No. 2**

---

**Subject:**

Bay Area Toll Authority (BATA) Fiscal Year (FY) 2023-24 Operating and Capital Budgets Amendment 2.

**Background:**

Staff requests that BATA Resolution No. 169, Revised, which amends FY 2023-24 BATA Operating and Capital Budgets, be referred to the Authority for approval. The proposed amendment increases total operating expenses and transfers by \$17 million, resulting in an equivalent reduction of \$17 million in the operating surplus. Total operating revenue remains budgeted at \$1,072 million, including \$894 million of general toll revenue. Total operating expense and transfers are \$1,060 million. The operating surplus of \$12 million will be transferred to the operating reserve.

The proposed amendment establishes a new BATA Other Capital Projects budget for projects where BATA serves as the project sponsor. This budget includes \$10 million for I-580 Richmond Parkway Interchange Operational Improvements and Cutting Blvd Transit Priority, both funded by Regional Measure 3 funds. The FY 2023-24 BATA Rehabilitation Program budget remains at \$185 million and the other capital programs do not have amendments.

**Operating Budget Amendments:**

Amendments to the operating budget are proposed as follows:

- \$1.0 million additional expense for the regional customer service center's (RCSC) toll processing expenses from Conduent State and Local Solutions, Inc. (Conduent)
- \$245 thousand net increase in other administration expenses for business insurance allocation costs
- \$200 thousand increase in transfer to MTC for capital projects funded by BATA
- \$15.6 million of carryover expenses from prior year unpaid invoices for Conduent's RCSC operating expenses

The budget is balanced as presented, with a projected operating surplus of \$28.6 million, reduced from \$29.2 million in the adopted FY 2023-24 budget. The operating budget schedule is attached (Attachment A) and is summarized below (in thousands).
