PLAN BAY AREA 2050 IMPLEMENTATION PLAN: 2024 PROGRESS UPDATE ATTACHMENT A

Plan Bay Area 2050 Element: HOUSING

Plan Theme and Strategy	Implementation Action	Progress Update since Fall 2023 Summary of activities completed between Oct 2023 – Sep 2024.	Anticipated Activities o Summary of activities plar
Protect and Preserve Affordable Housing H1. Further Strengthen Renter Protections Beyond State Legislation H2. Preserve Existing Affordable Housing	Action 1a. Advocate for renter protections for tenants and low-income communities to prevent unjust evictions and displacement	 Supported the passage of AB 1319 and ACA 1 in 2023. Staff pursued additional legislative advocacy (e.g., successfully supporting AB 598 and ACA 10) to advance a 2024 regional housing bond measure. 	 Begin legislative and sta measure. Reset electoral strategy timeline.
		 Supported ACA 1 and ACA 10 – on the November 2024 statewide ballot as Proposition 5 – to set the vote threshold for local affordable housing and public infrastructure bonds at 55 percent. 	 Continue advocating for FY 2024-25 state budge including through feder
		• Endorsed Proposition 5. Sponsored AB 598 (Wicks) to clarify BAHFA's authorities related to local land use and housing policies which appears on the 2024 ballot as Proposition 5. Also supported AB 2813 (Aguiar-Curry) which relates to Proposition 5.	• Create a new "Moderat pursue affordable housi revenue bond financing
	Action 1b. Seek new revenues for affordable housing preservation	• Successfully defended REAP 2.0 allocation against steep state budget cuts. MTC's REAP 2.0 share was only cut by \$6M, much less than the initial \$50M cut.	
develop standardized best practices for tenar protection programs; scope potential regiona scale anti-displacement programs; and launch and deliver a BAHFA pilot program to pursue new affordable housing preservation		• Outreach for a 2024 regional housing measure peaked in June 2024 with unanimous approval by BAHFA and ABAG Executive Boards for presenting a general obligation bond measure to voters in November 2024. The final ballot measure, Regional Measure 4, was removed from the ballot on August 14 th , 2024.	
	new affordable housing preservation strategies, including the restructured Bay Area	 Launched the Bay Area Eviction Study and the rental assistance pilot. The first set of residents are receiving assistance. \$17M in REAP 2.0 was identified for Preservation. The first NOFA was issued in June 2024, with Equity Priority Communities prioritized. The Welfare Tax Exemption Preservation Program (WTEPP) is in progress and has provided affordability protections for 870 units. 	 Continue implementation Analyze eviction study of driven anti-displacement Continue WTEPP, which

ch has a rolling application process.

Plan Theme and Strategy	Implementation Action	Progress Update since Fall 2023 Summary of activities completed between Oct 2023 – Sep 2024.	Anticipated Activities o Summary of activities plan
	1d. Complete and implement the Expanded Regional Housing Portfolio and BAHFA Business Plan	• The integrated BAHFA Business Plan was adopted by ABAG Executive Board (April 2024) and the BAHFA Board (June 2024) and is posted on BAHFA's website.	• The BAHFA Business Pla implement the Plan.
	1e. Evaluate changes to federal and state policies to increase incentives for, and viability of, affordable housing preservation strategies	 BAHFA successfully secured a \$5 million HUD grant from the new PRO Housing grant program. This creates precedent for BAHFA as an eligible federal recipient. Metropolitan Planning Organizations (and therefore BAHFA) were added as an eligible recipient to a 2023 HUD funding program. RHNA preservation credit analysis and outreach has proceeded. Potential legislative changes have been refined and specified. 	 Continue advocacy for s protections. Next step for preservation potential legislation. Go
Spur Housing Production for People of All Income Levels H3. Allow a Greater Mix of Housing Densities and Types in Blueprint Growth Geographies H4. Build Adequate Affordable Housing to Ensure Homes for All H5. Integrate Affordable Housing into All Major Housing Projects H6. Transform Aging Malls and Office Parks into Neighborhoods	2a. Advocate for legislation that enables a greater mix of housing densities and types in Growth Geographies	• This was not significant legislative action in this policy area in 2024.	• Evaluate advocacy optic
	2b. Seek new revenues for affordable housing production and explore better coordination of existing funding streams	 See 1b. actions related to ACA1, ACA10, and the regional housing measure. Continued advocating for federal funding for affordable housing production, as well as federal policy changes that will increase California's affordable housing financing capacity. As described in action 1e: received \$5M from HUD PRO-Housing grant to assist two new mixed-income, mixed-use, TOD new construction projects. 	 Continue implementation Continue advocacy for mand policy changes to he costs.
	2c. Continue and seek greater strategic alignment of existing and future programs and financial resources to help local jurisdictions increase their supply of affordable homes and develop context-specific inclusionary zoning and affordable housing incentives. Relevant	 Completed Priority Sites nomination process resulting in Commission and Executive Board approval of 216 Priority Site locations. The first loan closed in August 2024. Continued to administer existing portfolio of PDA planning grants. 	 Continue implementation programs. Launch and award grant combines eight regional Transit Oriented Communication

	existing programs include PDA Planning Grants, PDA Technical Assistance and Regional Housing Technical Assistance; new programs could be introduced to support planning and redevelopment of malls and office parks in PDAs and other Growth Geographies.	 Engaged in ongoing investigation of opportunities to finance affordable moderate-income housing Closed out APA-award-winning Regional Housing Technical Assistance (RHTA), funded by REAP 1.0. Prepared an integrated RFP that will support RHTA activities (funded by REAP 2.0) and Transit Oriented Community Policy implementation. 	 Continue to identify and did not receive pilot fur Conduct ongoing evalua funded projects.
	2d. Assist local jurisdictions to complete or initiate plans for all remaining PDAs by 2025	 Worked with CTA planning staff to assist work with local jurisdictions. Identified 15 PDAs that need to have plans to continue to maintain their PDA designation; extended deadline until 2026 to sync with Plan Bay Area 2060 kickoff. 	• Continue to work with (plans.
	2e. Complete and implement the Transit- Oriented Development (TOD) Policy Update to ensure land use supports transit investments and access to transit	 Implemented Transit Oriented Communities (TOC) Policy requirements for relevant RM3 allocations. Completed Final Administrative Guidance to the TOC Policy. Completed over 200 TOC Policy meetings with stakeholders, including over 120 one-on-one meetings with jurisdiction staff. Released initial version of online portal for local jurisdictions to submit compliance documentation. 	 Continue implementation Provide ongoing support Develop and deploy gradevelop policies/prograte Engage with local jurisdor OBAG 4 Program.
	2f. Launch and deliver BAHFA pilot projects to facilitate production and ensure equitable access to affordable housing, including a regional affordable housing application platform ("Doorway") and an affordable housing pipeline database	 The Doorway application capacity fully launched; since then, onboarding and user uptake has increased. Published 2023 Affordable Housing Pipeline study in 2024. 	 Add lottery and other ir Complete new 2024 Aff
	2g. Complete and implement the Expanded Regional Housing Portfolio and BAHFA Business Plan	See #1d for related activities.	• See #1d for relevant and
	2h. Evaluate changes to federal and state policies to increase incentives for and the viability of affordable housing production strategies	 Participated in Center for Public Development's national "community of practice" to pursue new funding strategies to deliver affordable housing, as well as a "social housing" working group to explore new funding and ownership structures for affordable housing. Worked with stakeholders to advance time and cost control incentives through Proposition 1 funding, passed in March 2024. 	 Continue to participate Complete the Housing C housing developers and to inform the Housing N strategies) in Plan Bay A

Create Healthy and Safe Streets T8. Build a Complete Streets Network T9. Advance Regional Vision Zero Policy through Street Design and Reduced Speeds	7a. Seek new revenues and/or increased funding for transportation, including for Complete Streets priorities	 MTC successfully applied for a federal planning grant and was awarded \$10M dollars to advance the regional vision zero program. Launched the Active Transportation Technical Assistance Program, providing \$960,000 of technical assistance grants to support local implementation of Complete Streets Policy and the Active Transportation Network. 	 Implement Regional Vi Track and move forwar Protection Act.
	7b. Advocate for policy changes that will improve roadway safety, particularly for the most vulnerable users, including but not limited to, authorization for automated speed enforcement	 Supported efforts to within the Regional Vision Zero working group related to the speed enforcement pilot programs. MTC supported the passing of AB645 – automated speed enforcement in three pilot Bay Area cities (SJ, SF and Oakland). 	Provide continued supplements
	7c. Complete and implement the recommendations of the Regional Active Transportation Plan	 See 6f and 6j for additional relevant activities under Forward Initiatives. Programmed \$4.7M for Active Transportation Technical Assistance (ATTA); provided technical assistance to jurisdictions applying for funds. Launched ATTA Program, providing \$960,000 to 34 technical assistance projects, and Bay Trail & Active Transportation Network design and outreach. Added the Active Transportation Network layer into StreetSaver. Launched a new easy-to-use Complete Streets Checklist form. Began developing nine county technical assistance workshops (including coordination with Vision Zero) on topics to help jurisdictions advance active transportation projects. 	 See 6f and 6j for addition Will continue to refine projects for future functs for future functs for future functs and the second rour design technical assistates Network, incorporating Continue coordinating Begin assessment of Coordination adjustments in advanced
	7d. Continue and seek greater strategic alignment of existing programs, such as the Active Transportation Program, the Quick-Build Technical Assistance program, local roadway asset inventory development and the Vision Zero shared data initiative	 Collaborated on one Active Transportation and Vision Zero Workshop and Peer Exchange RFP to provide a seamless and coordinated workshop series to Bay Area jurisdictions. Coordinated a single call for projects across Active Transportation Network, Quick Build, and Bay Trail grants. 	 Continue sharing Bay T with agency and comm Guidelines and Toolkit Explore Round 2 of ATT
