Agenda Item 5b

Senate Bill 239 (Arreguín): Teleconferencing: Subsidiary Body Update

Subject:

Update on action taken on Senate Bill (SB) 239 (Arreguín).

Background:

MTC and ABAG's co-sponsored SB 239 (Arreguin), which aims to make it easier for advisory board members to teleconference into meetings, successfully passed out of the Senate Local Government Committee on April 3, 2025. This is an important step forward in expanding remote participation options for advisory bodies, increasing flexibility and accessibility for members.

Staff will be at your April 22, 2025, meeting to provide a verbal update. They will share additional context on the bill's progress, outline the key developments since the committee hearing, and discuss anticipated next steps as the legislation progresses.
