Agenda Item 2c-24-1420

MTC Resolution No. 4646, Revised

Subject:

2025 Transportation Improvement Program (TIP) Amendment 2025-01.

Background:

The TIP is a comprehensive listing of San Francisco Bay Area surface transportation projects that are federally funded, require a federal action, or are considered regionally significant for air quality purposes. The 2025 TIP works to implement the priorities established in MTC's long-range transportation plan, Plan Bay Area 2050. The TIP is posted on MTC's website at:

<https://mtc.ca.gov/funding/transportation-improvement-program-tip>.

The 2025 TIP covers the four-year period from federal fiscal year (FY) 2025 through 2028. The 2025 TIP was adopted by the Commission on September 25, 2024, and is expected to be approved by the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) on December 16, 2024. The TIP is updated every two years, as required by state statute, and is revised as needed through amendments or administrative modifications.

Amendment 2025-01 adds or revises 96 projects, with a net funding increase of approximately \$1.8 billion. Among other changes, this revision:

- Adds three new projects and updates 23 existing projects to reflect changes in the One Bay Area Grant (OBAG) 2 and 3 programs and Carbon Reduction Program (CRP);
- Adds 17 new projects and updates seven existing projects to reflect changes in Community Project Funding/Congressionally Directed Spending (CPF/CDS), Safe Streets and Roads for All (SS4A), Charging and Fueling Infrastructure (CFI), Reconnecting Communities and Neighborhoods (RCN) Program, National Infrastructure Assistance Project Program (MEGA), and Reconnecting Communities Pilot (RCP) Program funds;
- Adds 18 new projects and updates 10 existing projects to reflect changes in the Transit Capital Priorities (TCP) program;
- Adds one project and updates seven existing projects to reflect changes in the State Transportation Improvement Program (STIP), Transit and Intercity Rail Capital Program (TIRCP), and other locally funded projects; and
- Archives and deletes six projects that have either been completed or will not move forward as federal projects at this time.

The TIP Revision Summary for this amendment is attached and posted at:

<https://mtc.ca.gov/funding/transportation-improvement-program-tip>.

The revisions made pursuant to this amendment will not change the air quality conformity finding; therefore, a conformity determination is not required.

The TIP public participation process also serves to satisfy the public involvement requirements of the FTA annual Program of Projects for applicable funds.

Staff will transmit this amendment to Caltrans after Commission approval. Caltrans will then forward the amendment to FTA and FHWA for final federal agency review and approval.

Issues:

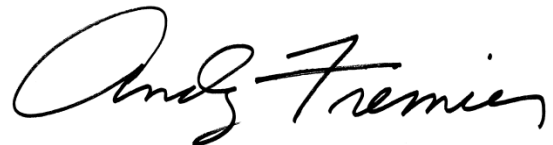

Changes included in this amendment are dependent on FTA and FHWA approval of the 2025 TIP on December 16, 2024.

Recommendations:

Refer MTC Resolution No. 4646, Revised to the Commission for approval. Several project revisions in this amendment are contingent upon Agenda Items 4a and 4b. Only those project changes approved by the Committee will be included in the amendment forwarded to the Commission.
