

A white bus with a green and red stripe, number 1909, is shown at a transit stop. The destination sign above the windshield reads "580 SAN RAFAEL". A person in a yellow jacket is standing near the open door of the bus. Two bicycles are mounted on the bike rack on the side of the bus. The background shows a street with other vehicles and buildings under an overcast sky.

# Golden Gate Transit Route 580 Overview

# Cutting Boulevard Transit Priority Project

Improve transit operations and access by implementing:

- Transit signal priority (TSP)
- Improvements at shared Golden Gate Transit & AC Transit stops

# Scope and Timeline

## Scope

Implement TSP and upgrade signals as needed

Install bus shelters and benches

Upgrade/install new curb ramps

Also:

- Improve signal coordination for transit
- Improve sidewalk / bus stops for accessibility
- And more

**Timeline:** Construct and open by mid-2026

# Funding Agreement with AC Transit

- \$3M in Regional Measure 3 funds
- Procure and manage consultants/contractors to plan, environmentally clear, design and construct the Cutting Boulevard Transit Priority Project
