

Metropolitan Transportation Commission

September 27, 2023

Agenda Item 4a - 23-1200

Ratification of Regional Network Management Council

Subject:

Ratification of Regional Network Management Council Membership.

Background:

In February of this year, the Commission approved the Regional Network Management framework, which included a structure for carrying out the objectives of the regional network management program. In furtherance of the Commission's commitment to that plan, staff requests that the Commission ratify the Regional Network Management Council membership. The RNM Council is comprised of Executive level Operator and MTC representatives who understand transit operations and can represent the interests of their stakeholders and provide leadership and critical input on regional policies (see Attachment A for the membership roster).

Issues:

None

Recommendation:

Staff recommends Commission ratification of Regional Network Management Council membership.
