\*These two exchange agreements were made possible by advancing approximately \$140 million of federal One Bay Area Grant (OBAG) funding, or nearly one year's worth of our regional share of federal apportionment of STP/CMAQ funding. Repayment of these two agreements with non-federal funds will be used to backfill OBAG program capacity and does not represent additional OBAG program capacity.

Of the total program amount, approximately \$49.1 million will be contributed by five operators through a transfer of their State Transit Assistance (STA) Revenue-based funds to MTC in FYs 2022-23 and 2023-24. Once MTC receives these funds, they will be deposited in this STA Exchange fund. These funds will be programmed through MTC Resolution No. 4519 and be allocated through MTC Resolution No. 4529.
