Quarterly Report of the Executive Director's Delegated Authority Actions

Subject:

Third Quarterly Report of the Executive Director's Delegation of Authority Actions

Background:

MTC Resolution No. 3620, Revised, adopted by the Commission in March 2004, allows the Executive Director to make administrative allocations of local funds up to \$1 million, with authority to take any rescission actions requested by claimants. To keep the Commission informed on actions approved by the Executive Director, staff reports quarterly on all 'delegated authority' allocations or rescissions. Fund sources included within delegated authority include Transportation Development Act, State Transit Assistance, Regional Measure 2, and other formula bridge toll funds.

The third quarter report for FY2022-23 covers the period of January 2023 through March 2023. The Executive Director approved the following allocation actions summarized in the tables below and detailed in Attachment A:
