*Preliminary OBAG 2 Housing Incentive Pool (HIP) rankings based on first 4 years of housing data. \$71 million in HIP funds (OBAG 2 and RTIP) will be awarded to the top 15 jurisdictions on a per-unit basis for qualifying affordable housing units permitted over a five-year period (2018-22). Current rankings are shown for informational purposes only, and do not imply or guarantee a funding award. All data is considered provisional, and may be subject to change as updates are provided. Final rankings and funding awards will not be determined until after 2022 data is available. Only jurisdictions with at least one qualifying HIP unit between 2018 and 2021 are shown with a ranking.

**Rezoning requirements as identified by MTC staff in coordination with jurisdictions and HCD. Jurisdictions that were not certified by HCD as substantially compliant within 120 days of the statutory submission deadline (January 31, 2023 for the Bay Area) are required to complete any necessary rezoning within one year of the statutory deadline, as opposed to three years for jurisdictions that were certified within 120 days.

***Excludes \$163 million in OBAG 3 County & Local funds programmed to sponsors not subject to the Housing Element requirement (transit operators, County Transportation Agencies, or MTC)
