ABSTRACT

MTC Resolution No. 4618

This Resolution approves the Priority Sites included in Attachment A. These sites meet the eligibility criteria established through Resolution No. 4567. Priority Sites are places planned for mixed-income and affordable housing, complemented by on-site or nearby essential services and served by frequent transit. The Priority Sites program is rooted in Plan Bay Area 2050 and enhances the ability of MTC and ABAG to partner with local governments to complete the projects that are central to realizing Plan Bay Area 2050 and achieving the visions embodied in local plans for Priority Development Areas. Further discussion of the sites presented for approval and broader Priority Sites program is contained in the Joint MTC Planning with the ABAG Administrative Committee summary sheet dated November 3, 2023.

Re: Priority Sites Approval

METROPOLITAN TRANSPORTATION COMMISSION RESOLUTION NO. 4618

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Section 66500 et seq; and

WHEREAS, the Association of Bay Area Governments (ABAG) is the council of government (COG) for the San Francisco Bay Area pursuant to Government Code Section 66500 et seq.; and

WHEREAS, in 2021, MTC unanimously adopted Plan Bay Area 2050, the region's longrange plan, which meets a large share of the region's future housing need through two key strategies, public land reuse (Strategy H6) and aging mall and office park reuse (Strategy H8), which would produce mixed-income and affordable housing, supported by local services, in Growth Geographies; and

WHEREAS, in 2022, MTC adopted Resolution 4530, the Transit Oriented Communities (TOC) Policy, updating the prior Transit Oriented Development Policy to align with Plan Bay Area 2050, encompass a broader range of regional policy objectives, and promote transit-supportive development around all of the region's fixed guideway transit stops; and

WHEREAS, in 2021 and 2022, MTC and ABAG completed initiatives identified in the Plan Bay Area 2050 Implementation Plan to advance the public land reuse and aging mall and office park reuse strategies, which included surveys and interviews of local staff, developers, community-based organizations, and other stakeholders throughout the Bay Area, as well as analysis of best practice guides, plans and peer-reviewed literature; and

WHEREAS, in 2022, MTC, ABAG, and Bay Area Housing Finance Authority (BAHFA) staff presented the findings and recommendations emerging from this initiative, which included a Priority Sites Program to implement the public land reuse and mall and office reuse strategies,

MTC Resolution 4618 Page 2

strengthen the ability of regional programs to deliver affordable housing, and enhance the connection between regional and local priorities in future iterations of Plan Bay Area, to MTC, ABAG, and BAHFA committees, local jurisdiction staff, developers, community-based organizations, and other stakeholders; and

WHEREAS, MTC, ABAG, and BAHFA staff responded to feedback received during presentations and outreach and incorporated that feedback into a detailed program design, including criteria for Priority Site nominations; and

WHEREAS, in November 2022, MTC approved the inclusion of \$28 million for the Priority Sites Program, including program development and funding for pilot projects, in its application to the California Department of Housing and Community Development for the second Regional Early Action Planning Grant (REAP 2.0), that included preliminary criteria aligned with Plan Bay Area 2050, supporting the region's transit investments, implementing the Transit-Oriented Communities Policy, and reducing GHG emissions; and

WHEREAS, in March 2023, MTC approved Resolution No. 4567 establishing eligibility criteria for Priority Sites and directed staff to solicit nominations for Priority Sites; and

WHEREAS, MTC, ABAG, and BAHFA staff conducted extensive engagement to eligible applicants throughout the nomination period from April 1, 2023 to September 30, 2023, including multiple presentations to gatherings of planning directors in all nine Bay Area counties, two recorded guidance webinars, weekly virtual office hours, and one-on-one meetings; and

WHEREAS, MTC, ABAG, and BAHFA staff received nominations for 210 eligible Priority Sites, which pending adoption will be able to apply for existing and potential future funding and technical assistance, and will be integrated into Plan Bay Area 2050+, as well as one site that is eligible contingent on the provision of transit improvements necessary to meet location criteria; and

WHEREAS, incentivizing planning and partnerships to accelerate the completion of large-scale projects delivering affordable and mixed-income housing, supported by essential services and other amenities, in Regional Growth Geographies and Transit Priority Areas, including all areas subject to the Transit-Oriented Communities Policy, supports the region's transit investments, advances its Equity Platform, and implements key climate and housing strategies from Plan Bay Area 2050; now, therefore, be it MTC Resolution 4618 Page 2

<u>RESOLVED</u>, that MTC adopts the Priority Sites detailed in Attachment A, attached hereto and incorporated herein as though set forth at length, contingent upon satisfaction of additional action where noted.

METROPOLITAN TRANSPORTATION COMMISSION

Alfredo Pedroza, Chair

The above resolution was entered into by the Metropolitan Transportation Commission at a duly called and noticed meeting held in San Francisco, California on November 15, 2023.
